SERVICE THAT WINS
THE SOLDIER HEART

Fred Lockley, Y. M. C. A., Tells of the Gratitude of the Boys at the Front.

"One of the discoveries men are making over here," Fred Lockley, of the Y. M. C. A. and of Portland, Oregon, writes from London, "is that more pleasure can be had out of giving than getting. Many a man who has spent money freely in the old days to buy pleasure is finding that he gets more pleasure over here by the spending of one's self in the service of others."

"A few months ago I went out with a fellow Y. M. C. A. secretary to hunt up, out-of-the-way detachments of troops. A stable guard here, a machine gun company there, a platoon somewhere else. We carried our goods in an automobile. We had plenty of writing paper and envelopes for free distribution, and chocolate, cookies, chewing tobacco and smokes, tobacco, cigarettes, razor blades, tooth paste and things of that kind for sale. American war service workers were busy everywhere. We found Salvation Army lassies making doughnuts for the boys and K. of C. secretaries giving help. Books furnished by the American Library Association were to be seen on all sides."

"Hearing firing at a distance, we drove down the road and found a score or so of men at machine gun practice. The officer gave the men half an hour recess to buy goods."

"At another place we came in sight of a lieutenant drilling a platoon. I said to the lieutenant: 'How soon before you dismiss the company?' We have Y. M. C. A. goods for sale."

"He said: 'Right now. Sergeant, dismiss the company!'"

"And ten seconds later the company was in line waiting to buy goods from our traveling 'Y.' Grateful is no name for it. The men can't do enough to show their gratitude."

Do your Xmas shopping early for the boys Over There.

KIDDY
FOOTWEAR

Shoes for The Little Tots and The Larger Ones, too.

EVERY MOTHER has said at one time or another:

"It seems as if I can almost see that child grow!"

During this period of rapid growth, every mother should pay special attention to her child's feet. The bones are tender, and are easily deformed unless the shoes are a proper fit. "Proper Fitting" is our specialty and you may safely trust your child's feet to our care.

And as far as wear goes that rests with the youngster, but you can depend on McDowell's Shoes to wear as long as any Shoe you can buy anywhere.

The reason we can fit correctly is we carry Children's Shoes in all widths.

Singing Makes Work Easy.

Singing makes the daily work easier of accomplishment. Sailors were among the first to recognize this and they sang as they stored away the cargo, keeping time with the music as they pulled on ropes and windlasses, changing to presto when the work demanded it. Here is a favorite ditty: A Yankee ship and a Yankee crew, Yally hi ho, you know.

Could Make His Own Way.

"Your hard-luck story is one of the most affecting I have ever heard." "Thanks, boss. Then you'll give me a small donation?" "No." "But you just said—"

"Exactly. A man with your imagination and gift of narration ought to make a great deal of money as a promoter. There is no earthly excuse."

THE Best Advertisement in
the World

IT IS THE TICK of the Clock.

It says only one short word, but it says that word over and over.

Here the tick is loud there low.

But always millions on millions of clocks are saying it.

It never stops.

It speaks to a baby's ears, and to the dying hours of an old man.

It speaks in time of joy; in time of grief; in time of idleness, or struggle and stress; in time of peace, or time of WAR.

It never stops.

Always it is telling the old, old story of the clock, "Time Flies."

Always it is repeating the stern lesson of life—"The World Forgets."

It never stops.

And it has made the clock the best known thing in all the world.

Such is the power of reiteration.

Such is the power of persistence.

Such is the power of constancy.

Call the advertising roll of honor, the world-famous advertising, alive to answer.

None ever stopped. All have told their story over and over, and still are telling it.

Advertising stopped is advertising dead.

Advertising brought back from the grave must foot again the long, old road from the very beginning.

NOW is the time to advertise—the only time.

Advertise tomorrow when tomorrow is NOW

Listen to THE TICK of the clock, as it tells you: "Time flies. The world forgets."

NOW is the time to advertise.
