ELECT GARLAND

Linn county is to be congratulated upon the fact that State Senator Sam Garland has consented to accept a second term as a member of the state legislature.

A businessman of no small ability, a lawyer of wide experience and a splendid public speaker, Mr. Garland is the type of man who should be encouraged to serve his district in a legislative capacity.

If every voter in Linn county had the opportunity of asking the colleagues of Senator Garland as to their judgment of his loyalty to his constituents and his standing among the members of the senate, the Democrat is willing to predict that he would be elected by almost a unanimous vote. There were few men in the senate who stood higher and none who made a more creditable record than Senator Garland of Linn.

His defeat would be a monument to partisanship and a misfortune for the county.

PIERCE FOR GOVERNOR

Without a single constructive measure as a monument to his four years' tenure of office, Governor Withycombe has the temerity to assert that he is making his campaign for reelection upon his record.

In fairness to the governor, however, it should be stated that in one regard at least he has made a remarkable record. His administration has spent more money and obtained less concrete results for the funds expended than any other in the history of the state.

Take, as an example, the appropriation of \$600,000 for the organization of the state police. Washington, with more factories and mills to guard than Oregon, assigned the work now done by the members of this organization to the peace officers of the various counties. Moreover, Washington has suffered no greater loss to her industries during the war period than Oregon. The governor feels, however, that the money is well spent, for all the members are 100 per cent Withycombe partisans, and all doing their bit, at the taxpayers' expense, to help re-elect the "War Governor."

Walter Pierce, the democratic nominee, is a progressive with a constructive platform. He has made good both in business and in a public capacity. He has the breadth of vision

VOTERS OF OREGON

Justice F. A. Moore of the Supreme Court died last month, too late for the name of any candidate to succeed him to be placed on the ballot. This condition makes it necessary to write in the name of your candidate.

This is the most important position in the judicial system of the State. It is essential to choose a man of extensive legal training, of high character, and of broad vision. We commend for your consideration and vote

J. U. CAMPBELL OF OREGON CITY

Resident of the State 30 years; lawyer for 25 years; veteran of Spanish-American War and Philippine Insurrection, having served with 2nd Oregon Regiment; member of Oregon Legislature in 1907 and 1909 sessions; Judge of the 5th Judicial District 9 1/2 years.

In all these positions he has made good. His record as a private citizen and public official has been above criticism.

WRITE IN HIS NAME AT THE GENERAL ELECTION NOV. 5TH
