Burns Kerosene Perfectly

The LaCrosse Happy Farmer

Most tractor engines are designed to burn a higher grade fuel. They are able to burn kerosene only by the aid of some complicated attachment, which generally gives unsatisfactory results. The HAPPY FARMER engine is specifically designed to burn kerosene, and has no complicated attachments to get out of order—that's why it's the most perfect kerosene burning tractor.

Price \$1285 No other tractor selling at a price within \$250 of it, can excel the work of the HAPPY FARMER.

BUILDING UP OUR WOMANHOOD

Given Up to Die by Her Friends, a Young Lady Recovers Her Health and Increases Weight—45 Pounds.

A Powerful Nation Needs Strong Healthy Women.

A nation is no stronger than its women. Hence, it is the duty of every woman whether young, middle aged, or in advanced life to preserve her health. If you are sick and suffering don't wait until tomorrow but seek relief at once—today. Tomorrow your illness may take a chronic turn.

There is a remedy for almost every ill. Thousands have found Peruna to be that remedy as did Miss Clara Lohr of 21 N. Dolan, Grand Rapids, Michigan. She writes a friend: "I don't need Peruna any more. I am all well after taking six bottles. I weighed ninety pounds before I started and was poor and weakly. I had such a cough and spitting all the time that I never expected to recover. My friends gave me up. I could eat nothing. Now I can eat and weigh 135 pounds. I most thankfully recommend Peruna to my friends."

Miss Lohr's letter is an inspiration, a message of hope to suffering women. It tells you that you too may be strong and well and vigorous.

Peruna may be had in either liquid or tablet form. Ask your dealer. If you value health, do not accept a substitute. Dr. Hartman's World Famous Peruna Tonic is what you want. The Peruna Company, Dept. 79, Columbus, Ohio, also publish Dr. Hartman's Health Book. The book is free. Write for it. Your dealer will give you a Peruna Almanac.

Hot Water for Sick Headaches

Tells why everyone should drink hot water with phosphate in it before breakfast.

Headache of any kind, is caused by auto-intoxication—which means self-poisoning. Livers and bowel poisons called toxins, sucked into the blood, through the lymph ducts, excite the heart which pumps the blood so fast that it congests in the smaller arteries and veins of the head producing violent, throbbing pain and distress, called headache. You become nervous, despondent, sick, feverish and miserable, your meals sour and almost nauseous. Then you resort to acetanilide, aspirin or the bromides which temporarily relieve but do not rid the blood of these irritating toxins.

A glass of hot water with a teaspoonful of limestone phosphate in it, drank before breakfast for awhile, will not only wash these poisons from your system and cure you of headache but will cleanse, purify and freshen the entire alimentary canal.

Ask your pharmacist for a quarter pound of limestone phosphate. It is inexpensive, harmless as sugar, and almost tasteless, except for a sourish twinge which is not unpleasant.

If you aren't feeling your best, if tongue is coated or you wake up with bad taste, foul breath or have colds, indigestion, biliousness, constipation or sour, acid stomach, begin the phosphate hot water cure to rid your system of toxins and poisons.

Results are quick and it is claimed that those who continue to flush out the stomach, liver and bowels every morning never have any headache or know a miserable moment.

EASY TO DARKEN YOUR GRAY HAIR

You can Bring Back Color and Lustre with Sage Tea and Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair has disappeared, and after another application or two, your hair becomes beautifully darkened, glossy and luxuriant. Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound and look years younger. This ready-to-use preparation is a delightful toilet requisite and not a medicine. It is not intended for the cure, mitigation or prevention of disease.

signing of the armistice. Monday from early morning until late at night, whistles blew the good news and people crowded the streets everywhere. A parade was formed in the afternoon and many novel and clever stunts occurred.

During the evening Albany people flocked to Corvallis, where the influenza ban had been lifted. Dances and fraternity parties were numerous there and a gay social atmosphere prevailed among the college set.

The lifting of the ban in Albany was followed by several informal social affairs. Among the most attractive of these was the dancing party enjoyed by the younger set, for which Master Ted Young was host, Friday evening, complimenting his guests, the little Misses Helen and Mildred Roberts of Salem. Dancing, music and games made the evening festive, and at a late hour light refreshments were served. Enjoying the evening's gayeties were Edith Duncan, Helen Pugh, Elizabeth Beam, Anna Katherine Barrett, Josephine Ralston, Louise Mason, Genevieve Olin, Marjorie Daly, Mary, Henrietta and Jane Davis, and Helen and Mildred Roberts, and John Cusick, Billie Cusick, John Hornbrook, Buster Fish, Stewart Ralston, David Mason, Bobbie Barrett, Lawrence Schmitt, Spencer Sanders, Bob Barker, John Pullack, Kermit Brandeberry, Ted Fortmiller, Ellis Sox and Ted Young.

At the home of Miss Hazel Hall the Beta Gamma girls met Friday evening and passed a most delightful social time. The effectively-adorned table where a covered dish supper was served, held a centerpiece of yellow chrysanthemums. The remaining part of the evening was passed in fancywork and dancing.

Several girls returning home from O. A. C. to spend last week-end, enjoyed several informal home affairs. Miss Anna Hoflich brought with her as a guest, Miss Dora Finch of O. A. C. Miss Edith Balluff and Miss Ruth Middlecott were guests of the Misses Helen Livengood and Nathiel Donaca. All of the girls are of the Alpha Chi Omega sorority.

Saturday evening the crowd and the Misses Dorothy Lee and Irene Barrett, gathered around and, returning, enjoyed refreshments together.

Before the girls returned to Corvallis, they passed the afternoon together at the home of Miss Nathiel Donaca. Light refreshments were served.
