**California Walnuts Were Very
Fine Until Oregon Got
Into the Game**

AND THEN—Well, California is still second best. But one thing women DO
like is Good Walnuts. We have learned by experience that it pays well to buy
the best on the market. The difference between the best and the poorest is far
more than 2 or 3 cents per pound. We have only the choicest nuts—large
Franquettes and Mayettes from the old Shannon Ranch and from Will Burk-
hart's place. There are absolutely none better. We also have fancy Filberts
grown by Will Burkhardt, 35c per pound. Mixed Nuts 25c per pound. Filberts
35c per pound.

XMAS CANDY—Chocolates 25c per pound; and Mixed Candy is, less—it de-
pends on what you want. Don't fail to see us before buying your Candy and
Nuts for Schools and Churches.
