"THIRTY A WEEK" STARS MAGNETIC TOM MOORE

"Thirty a Week," Tom Moore's second Goldwyn starring vehicle which comes to the Globe Theater tomorrow, is undoubtedly the greatest production in which the handsome, popular young star has ever been seen. The role of Dan Murray, chauffeur, offers the Goldwyn star every opportunity to give freely of his admirable art, appreciation of which is found in the hundreds of requests Goldwyn received to make the talented player a star in his own right.

Dan elopes with his employer's daughter, Barbara Wright. Her father, vexed at her marriage, puts every obstacle in the couple's path. So does Freddy Ruyter, the man the Wrights had handpicked for Barbara. Ruyter meets Barbara frequently and tells her Dan is unfaithful—that he has seen him give money to a woman he has met at a race track, where Dan has finished third in the automobile classic. When Dan makes no satisfactory explanation Barbara leaves him. Wright offers him a fortune to agree to annulment of the marriage, but Dan declines.

The Wright's lawyer discovers that Dan has given the woman money to save her sick husband, and so notifies Wright, who sends for Dan. He goes to Barbara's home, firm in the resolve that he will not give up Barbara, and

SALTS IS FINE FOR KIDNEYS, QUIT MEAT

Flush the Kidneys at once when Back Hurts or Bladder bothers—Meat forms uric acid.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headache, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of stinging, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.
