A. C. SCHMITT OBJECTS

Schools Should Not Be Closed. If Shows Open.

To the Editor of the Democrat:

From last night's paper, I gather that the theatres in Albany will be open, beginning with today. I saw no statement that the Public Schools were going to be open this coming week. I
do not know what the plans of the City POPE EXTENDS PRESI-Health authorities are.
We all realize that on account of

this epidemic our Public Schools have been very seriously interferred with so far this year. It was inevitable under the circumstances. In many instances it will mean a permanent loss and a life-long handicap to the boys and girls that are now in school, as many of them will not return to school after this year, and some of them can never make up what they A meeting of the city health board was held at the office of the mayor pesterday afternoon. The entire board and the health physician attended the list not fair to say that theatres work.

ulations were adopted:

1. It is the wish and request of the board that everybody stay at home, considering them in connection with our Public Schools? The School Board except those who by force of circumstances, are compelled to go out into
the city for the transaction of legitiWith this provision and the care that
