SOCIETY

BEATRICE SANDERS
Society Editor
Bell 481-J.

Again the influenza ban has been put on, and society has been put aside for the present. Probably the spring season will again resume the gay social atmosphere, and the depression will not keep down the spirit after the influenza epidemic and war activities have ceased and everything has reached the normal status.

One of the season's gayest and most popular diversions, ice skating, has occupied most of this week's hours of pleasure seeking. Many parties drove to Copenhagen, Fishers Pond and other excellent spots. Many evenings were passed in this way, huge bonfires and lanterns lighting the ice and making it attractive.

Of more than usual interest to Albany is the visit of Captain and Mrs. Scott P. Hart, who are spending a few weeks at the home of his parents, Mr. and Mrs. A. S. Hart.

On Monday of this week, Miss Theresa Kent of Boise, Idaho, became the bride of Captain Hart, at the home of her aunt, Mrs. E. C. Ballinger of Boise, at a simple home wedding. Immediately after the ceremony they left for Portland and from there came to Albany. Rev. Wiles of Boise, recently returned from overseas duty as chaplain, performed the ceremony.

Mrs. Hart is a very charming young lady of pleasant personality. Before going to Idaho, her former home was in LaVern, North Dakota.

For several months Captain Hart served in the American forces in France, later being sent to the United

States as an instructor. He is now with the 154th company, artillery, of Camp Travis, Texas, being on a furlough at this time.

The young couple will probably make their home in Montana after he receives his discharge from the army.

Mrs. William Blaire and little daughter of Seattle, Wash., returned home this week after visiting at the home of Mrs. Blaire's parents, Prof. Wallace Howe Lee.

Mr. and Mrs. Edward D. Cusick went to Portland this week to remain for several days, as Mr. Cusick is attending the irrigation congress there.

Mrs. L. F. Fuller of Portland, has been the guest of Mrs. Wm. Pollack for several days' visit.

Miss Ruth Rawlings came home from O. A. C. today to spend the week-end here.

Miss Janet Paxon is also a week-end visitor from O. A. C.

On Wednesday evening Mrs. Fred Bloom presided as hostess to a pretty little dinner party, complimenting Mr. and Mrs. W. W. Stuart. Red carnations formed the centerpiece for the attractively adorned table. Jolly social diversions filled the remaining hours of the evening. Mr. Stuart recently returned from Charleston, Washington, where he was in the navy, having received his discharge at this time.

Mrs. G. W. Goff acted as hostess to the North Albany Thursday club last week on Friday. The usual diversions filled the afternoon's hours and were completed later with a dainty lunch. Potted plants decked the rooms where the guests gathered. Present were Mrs. A. L. Luther, Mrs. M. A. Winn, Mrs. Eva Small, Mrs. A. D. Gregory, Mrs. Henry School, Mrs. Chas. Crocker, Mrs. Chas. School and Miss Naomi School.

EASY TO DARKEN, YOUR GRAY HAIR

You can Bring Back Color and Lustre with Sage Tea and Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly, that the mixture is not even thought of at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound and look years younger. This ready-to-use preparation is a delightful toilet requisite and not a medicine. It is not intended for the cure, mitigation or prevention of disease.

PERUNA A WONDERFUL MEDICINE

Rundown and Unable to Work

"I am pleased to recommend Peruna as it was beneficial in restoring my health when I was all run down from overwork and nervous worry and was unable to take up my regular work. A friend recommended Peruna and said he was sure that it would restore my strength. I soon found that I was getting better and in a little over two months I was able to resume my duties with renewed vigor and strength. It certainly is a wonderful medicine to vitalize the system."

BEGIN HOT WATER DRINKING IF YOU DON'T FEEL RIGHT

Says glass of hot water with phosphate before breakfast washes out poisons.

If you wake up with a bad taste, bad breath and tongue is coated; if your head is dull or aching; if what you eat sours or forms gas and acid in stomach, or you are bilious, constipated, nervous, sallow and can't get feeling just right, begin inside bathing. Drink before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it. This will flush the poisons and toxins from stomach, liver, kidneys and bowels and cleanse, sweeten and purify the entire alimentary tract. Do your inside bathing immediately upon arising in the morning to wash out of the system all the previous day's poisonous waste, food and sour bile before putting more food into the stomach.

To feel like young folks feel; like you felt before your blood, nerves and muscles became loaded with body impurities, get from your pharmacist a quarter pound of limestone phosphate which is inexpensive and almost tasteless, except for a sourish twinge which is not unpleasant.

Just as soap and hot water act on the skin, cleansing, sweetening and freshening, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels. Men and women who are usually constipated, bilious, headache or have any stomach disorder should begin this inside bathing before breakfast. They are assured they will become real cranks on the subject shortly.
