MAZOLA

A wholesome and delicious oil, from Corn, for general cooking and salad dressings

THIS pure oil from America's greatest cereal—Indian Corn—is the ideal medium for frying, sautéing, shortening and salad dressings.

Foods fried in Mazola are not only much more easily digested—they are more palatable—free from greasiness or sogginess—because Mazola browns food quickly.

And with the nation-wide movement headed by Mr. Hoover to save butter, lard, suet, the housewife is particularly glad that she has a cooking medium which is so delicious—she can help conserve the country's resources, cut the cost of her cooking, give her family food of the highest quality—all with Mazola. Mazola makes especially fine salad dressings, too.

Sold by your grocer in pint, quart, half-gallon and gallon tins; for greatest economy buy the large sizes.

Ask for a copy of the free Mazola Book of Recipes, or write us direct.

Your money refunded if Mazola does not give entire satisfaction.
