LINNHAVEN LAND NEAR LACOMB IS PLACED ON MARKET

LACOMB, Feb. 19.—Special.—The large tract of land once owned by the now defunct Linnhaven Orchard Co. has been sold by the sheriff and bid in various mortgages and is practically all on the market. This land, although not in the best of condition, will eventually provide homes for a large number of families.

A large delegation of farmers from Lacombe attended the annual meeting of the Lin County Farm Bureau in Albany last week. Those going from here were Lee Gaines, Ben Schmidt, Edw. Ufford, J. T. Nave, I. S. Clark, H. S. Nolan, E. W. Dartruff, J. W. Wirt and H. D. Smith.

Albany also drew a large number of our citizens last Saturday on account of the sale of government horses and mules. None of our neighbors were much impressed with the sale.

Mrs. Wells and daughter returned to their home in Portland after a week's visit with Miss Leona Wells, who is teaching the Green Mountain school.

Dick Craft has gone to Eastern Oregon, where he had an attractive offer to work on a stock ranch.

Miss Martha Hyder recently purchased a fine piano of the Woodworth Drug Co. in Albany.

MORE EGGS TONIC

We have taken the agency for E. J. Reeder's celebrated "More Egg Tonic" which we know by our own experience is one of the finest things going both for eggs and also for sickness among the chickens. It sells for \$1 a package but for the balance of February we will give you 20 percent discount in order to give everybody a chance to try this valuable remedy.

COMB SAGE TEA INTO GRAY HAIR

Darkens Beautifully and Restores Its Natural Color and Lustre at Once.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation improved by the addition of other ingredients a large bottle, at little cost, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

Good taste, smaller chew, longer life is what makes Genuine Gravely cost less to chew than ordinary plug.
