### QUIT MEAT IF YOUR KIDNEYS ACT BADLY

Take tablespoonful of Salts if Back hurts or Bladder bothers—Drink lots of water.

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.

## Home Again

Victory has been gained and every boy who donned the Navy or Khaki has helped to secure it. We're proud of you.

Welcome Home

## HAMILTONS'

was visiting old friends near Tangent, returned to her home a few days ago.

J. J. Beard, formerly railroad agent at Tangent but late of Roseburg, is at the home of his daughter, Mrs. M. C. Jenks, seriously afflicted with dropsy.

John Slate, who has lately been sojourning in Southern Oregon, has returned home.

Robt. Gilmore, who years ago lived near Lebanon but later of Washington, was visiting acquaintances in Tangent a few days back.

S. G. Simon and H. O. Pinkstaff attended the horse sale in Albany Saturday, but failed to secure any horses.

Farmers are patiently awaiting the coming of spring so they can begin putting in their spring crops. All kinds of fall grain is looking extra well, and has made a fine growth. All kinds of stock except sheep have to depend on being fed, as there is little or no grass in any of the pastures.

The roads are fairly good for winter but they could be much better. If some plan could be devised by which gravel could be procured without too much expense to keep the roads leading into the highway passable, it

would be a great convenience to all who travel. Many farmers are willing to do any amount of work in order to improve the roads if the county court would only pay them half wages, and put in good time; for they are more than anxious to see the roads put in better condition, and the only way to get it done is to show a willingness to help in every way they can to obtain the desired results.

### TENNESSEE LOCALS AND PERSONALS OF TIMELY INTEREST

LEBANON, Feb. 21.—Special.—Mr. Laurence, an aged gentleman residing one and a half miles east of Griggs station, while on the way to Crabtree with one of his small children, fell dead from the wagon and frightened the team, which started to run. The child's screams caused someone on the road to come to the rescue and stopped the team. The child was un-

injured. The supposition is that heart failure was the cause of Mr. Laurence's death.

Mrs. Blandena Wilson went to Portland to meet her husband, Arthur Wilson, who has just returned from France. Mr. Wilson enlisted at the beginning of the war. They will resume their residence in this community.

H. F. Glaser, who recently bought the Ed Roberts farm in this neighborhood, has erected a nice dwelling on the same and is just now moving in his new home.
