New Spring Styles

for

Young Men

If anybody stopped a young man on the street with the question, "what's the most important thing in a suit of clothes?" he'd probably say right off the bat "style."

Style certainly is important but styles isn't worth considering if you don't get lasting fabrics at the same time, or if it means a needless waste of material.

HART SCHAFFNER & MARX DESIGNERS HAVE TAKEN CARE OF YOU YOUNG MEN IN THEIR FALL AND WINTER CLOTHES. WE HAVE STYLES FOR YOU, GOOD LIVE MILITARY MODELS THAT MAKE THE BEST USE OF EVERY INCH OF MATERIAL. AND THE BEAUTY ABOUT STYLE IN GOOD CLOTHES IS THAT IT LASTS.

When you remind your father that you need a new suit just tell him you know where to go for real economy; that will please him and the style will please you.
