RECIPE TO CLEAR A PIMPLY SKIN

Pimples are Impurities Seeking an Outlet Through Skin Pores.

Pimples, sores and boils usually result from toxins, poisons and impurities which are generated in the bowels and then absorbed into the blood through the very ducts which should absorb only nourishment to sustain the body.

It is the function of the kidneys to filter impurities from the blood and cast them out in the form of urine, but in many instances the bowels create more toxins and impurities than the kidneys can eliminate, thus the blood uses the skin pores as the next best means of getting rid of these impurities which often break out all over the skin in the form of pimples.

The surest way to clear the skin of these eruptions, says a noted authority, is to get from any pharmacy about four ounces of Jad Salts and take a tablespoonful in a glass of hot water each morning before breakfast for one week. This will prevent the formation of toxins in the bowels. It also stimulates the kidneys to normal activity, thus coaxing them to filter the blood of impurities and clearing the skin of pimples.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia. Here you have a pleasant, effervescent drink which usually makes pimples disappear; cleanses the blood and is excellent for the kidneys as well.

IT IS THE MERCHANDISE THAT COUNTS

There is developing throughout the country a demand for better qualities in nearly every line of merchandise, particularly in women's ready-to-wear. There are many well-defined reasons for this.

While better qualities cost a little more than inferior grades, the difference is slight, and is much more than justified by the increase in serviceability.

Garments which are sold for unreasonably low prices are often in fanciful styles, and are seldom of lasting quality. Garments that are sold for legitimate prices are more than likely to be correct in style and in quality, too.

At this store you will find ONLY the better class of merchandise. Under no consideration will we handle inferior qualities merely because of the price-appeal they make to a rapidly decreasing class of inexperienced shoppers.

The New Spring Millinery

Oh! have you seen the new Hats? We are wildly enthusiastic about them. Such a lot of novel ideas.

"The Victorian"—A low-crowned Hat with Bandeau under Hat, worn with a tip over the right eye—just the Hat for some folks. Come, try it on.

"The Coming-Home Bow Hat"—A Hat with many little sail bows on the top of it which represent the sails of the ships on which the "beaus" are coming home.

We've just mentioned two—you'll see them in window 7, besides 3 others, and, too, there are many more upstairs.

MRS. WM. BOWERS OF BROWNSVILLE DIES: FUNERAL IS HELD

BROWNSVILLE, Feb. 24.—Special.—Mrs. Anna Spey, an oldtime resident of Brownsville and member of one of Brownsville's pioneer families, left Friday for Eastern Oregon where she will make her home.

Farmer in the vicinity of Brownsville are beginning spring work. Considerable land has been plowed during the winter months. From present indications there will be a big acreage sown this spring.

The funeral of the late Mrs. Wm. Bowers of Brownsville was held from the Methodist church here Friday. She has been a resident of this place for a number of years. Mrs. Bowers was fatally injured in an automobile acci-

dent in Portland a few days ago, only living a short time after the accident. Mrs. Bowers was prominent in W. C. T. U. work in Linn county. She leaves her husband, one stepson, Harry Bowers of W. L. Hamette University.

The many friends of Walter Angell, a former resident of this city, will be living to hear of a serious accident in which he was injured by being run over by an automobile in Los Angeles, according to a message to Peter Pithor, Mr. Angell's uncle. He is confined in a hospital in Los Angeles.
