fordville country who suffered a slight stroke of paralysis one week ago is reported much improved.

Dr. J. W. Powell, formerly of the Molalla country but now located here, has gone on a visit to the old stamping grounds.

The order of business of the day at this writing is the payment of taxes and C. M. Kendall appears to have quite an account that he wishes to have settled as soon as convenient.

We hear considerable complaint of the road leading north. There has been the hauling of ties over this road and the roadbed has worn out.

Bob Sawyer has returned from the service. Many of the boys who left to help down the Hun are coming home, some from overseas and some from the camps.

A grade of the roads high enough to let the water off the middle of all roads that are or may be built, is needed. A road so flat that it is rounding towards the middle is out of the question and it is hoped the county court will take such steps as will insure a grade sufficient to let the surface water get off the roads.

**ROAD SHOW BILLED
AT GLOBE MARCH 18**

**"Turn to the Right" Is Play
of Laughs and Heart
Throbs**

All classes of amusement seekers will find warm satisfaction in "Turn to the Right," the great play of laughs and heart throbs that comes to the Globe Theater Tuesday, March 18.

As a play "Turn to the Right" appeals to all classes to a degree that has seldom been attained in the history of the theater. It can be compared only with "The Old Homestead" and "Way Down East" for straight to the heart wholesomeness; with "The Boomerang" and "The Fortune Hunter" for clean, refreshing comedy or with "Ben Hur" for an uplifting touch of the religious.

The stage has never known a cleaner play than "Turn to the Right." In its prologue and three acts there is never a line or a situation to bring uneasiness to the man who has brought his sister, wife or young daughter. Throughout its action it breathes an atmosphere of youth and happiness, blended with good old-fashioned honesty.
