

Food economy without any sacrifice is what you get when you use

Oleomargarine

in making biscuits, pastry, cookies, cakes and salads, and on meats and hot baked or mashed potatoes and other vegetables. For hard sauces it gives the most delicious taste and makes them better.

The children show preference for "Columbia Brand" Oleomargarine on their bread, and you can give them all they want, for it is the "thrif spread." Furthermore, it has that high nutritive value so vital in the nourishment of children.

Two Excellent Recipes in which

Columbia Brand Oleomargarine

is used with pleasing results.

DOUGHNUTS

1 cup sugar, 3/4 tablespoons COLUMBIA BRAND OLEOMARGARINE, 2 eggs, 1 cup milk, 4 teaspoons baking powder, 1/2 teaspoon cinnamon, 1/4 teaspoon grated nutmeg, 1 1/2 teaspoons salt, flour to roll.

Cream the butter and add one-half sugar. Beat egg until light, and remaining sugar, and combine mixtures. Add 3/4 cups flour, mixed and sifted with baking powder, salt and spices. Then enough more flour to make dough stiff enough to roll. Toss one-third of mixture on flour board, knead slightly, pat, and roll out to 1/4-inch thickness. Shape with doughnut cutter, fry in deep fat, take up with a fork, and drain on brown paper. Repeat this process until mixture is used.

BISCUITS

1 cup sugar, 4 tablespoons COLUMBIA BRAND OLEOMARGARINE, 2 eggs, 1 cup milk, 4 teaspoons baking powder, 1/2 teaspoon cinnamon, 1/4 teaspoon grated nutmeg, 1 1/2 teaspoons salt, flour to roll.

Mix dry ingredients. Work in oleomargarine with tips of fingers; add gradually the liquids, mixing with knife to a soft dough. Toss on a flour board, pat and roll lightly to 1/4-inch in thickness. Shape with biscuit cutter. Place on buttered pan and bake in hot oven. It is impossible to determine the exact amount of liquid owing to the difference in flour.

ever held this side of Portland is a dead certainty. Mr. Murphy says that he is receiving big encouragement from many sources and that the local automobile dealers are on deck and at the bat.

Lyons to Camp Lewis—

A. L. Hiatt and son Percy, of Lyons, returned today from Camp Lewis, where they had been to buy government mules. Mr. Hiatt states that a sale of 1,000 mules and horses was advertised and at the date specified but 300 were allowed sold. Many buyers were present expecting a big sale but with only 300 horses and mules on the market the prices soared high and many buyers were disappointed. Mules sold from \$150 to \$310 per span and not enough even at that price to supply the demand.

EVERYBODY IS NOW FIGURING INCOME TAX

In Order to Be Helpful to Public,
Internal Revenue Bureau
Has Every Available
Officer in Field.

SEVERE PENALTIES IF YOU DELAY BEYOND MARCH 15

With the due date for Income Taxes only a few weeks away, the collection of this far-reaching tax on 1918 incomes has started off with a bang. Everybody is figuring income tax.

Payments and sworn statements of income must reach Internal Revenue offices on or before March 15, and there are severe penalties for delinquency.

Residents of Oregon are required to make their returns and pay their taxes to Milton A. Miller, Collector of Internal Revenue, Portland, Ore., or to any of his deputy collectors who are now doing free advisory work on Income Tax.

"Pay your Income Tax by March 15," is the slogan of the Internal Revenue Bureau, which has sent every available officer into the field to help the public to understand the requirements and to prepare the returns.

Who Must Make Return.
It is estimated that many thousands of single and married persons in this section of the United States who have never before made annual returns are required to do so this year.

Income tax returns must be made between now and March 15 by persons who come under the following classifications:

Any unmarried person whose 1918 net income was \$1,000 or over. Widows and widowers, divorcees and married persons who are living apart from their husbands or wives, are for the purposes of the Income Tax classed as unmarried.

Any married person living with wife or husband whose 1918 net income was \$2,000 or over. The income of both husband and wife must be considered, together with the earnings of minor children, if any.

Revenue Bureau Offers Aid.

Each person in the United States who is in either of these classifications must get busy at once if penalties are to be avoided. He should secure a blank Form 1040 A for reporting net income up to \$5,000, or Form 1040 if his net income exceeded that amount. Forms are being distributed by Collectors and their Deputies, also by banks. By following the instructions on the forms a correct return can be prepared at home. If a person needs advice or aid, the Deputy Collectors in the field will furnish this without charge.

The new Revenue law places the Income Tax duty on citizens and residents. The Internal Revenue Bureau is sending its men to work right with the public to get the tax and the returns in. With active co-operation, every tax due March 15 will be paid and every return required by law will be in the Revenue offices on time.

Exemptions Allowed.
A single person is allowed a personal exemption of \$1,000. If he is supporting in his household relatives who are dependent upon him, he may claim the status of the head of a family who has the same exemption as if married.

A married person, who lives with wife or husband, is allowed a personal exemption of \$2,000. The head of a family is entitled to claim a similar personal exemption.

An additional exemption of \$200 is allowed for each person under eighteen or incapable of self support, who was dependent upon and received his chief support from the taxpayer.

A husband and wife living together are entitled to but one personal exemption of \$2,000. If they make separate returns, the exemption may be claimed by either or divided.

Absolute accuracy is necessary in making up income figures. Any person who is working for wages should find out exactly how much he received during the whole year 1918. Fees, bank interest, bond interest, dividends, rents received, and all other items must be reported correctly. Mere guesses are not accepted, for they are unjust alike to the taxpayer and the Government, and defeat the proper administration of the law.

INCOME TAX IS TRULY POPULAR.

"The payment of income taxes takes on a new significance which should be understood by every citizen. The taxation system of this country is truly popular, of the people, by the people and for the people. Every citizen is liable to tax, and the amount of the tax is graduated according to the success and fortune attained by each individual in availing himself of the opportunities created and preserved by our free institutions. The method and degree of the tax is determined by no favored class, but by the representatives of the people. The proceeds of the tax should be regarded as a national investment."—Daniel C. Roper, Commissioner of Internal Revenue.

MOTHERS

Should see that the whole family take at least 3 or 4 doses of a thorough, system cleaning medicine this spring. Now is the time. The family will be healthier, happier, and get along better if the blood is given a thorough purifying, the stomach and bowels cleaned out, and the germs of winter, accumulated in the system, driven away. Hollister's Rocky Mountain Tea is one of the very best and surest Spring medicines to take. Get it and see the difference in the whole family. Their color will be better, they'll feel fine and be well and happy.
