He arrived in Albany Tuesday from San Diego where he received his discharge from the aviation department of the navy after serving for 15 months as chief machinist.

## PROFESSOR SAYS: INTERNAL BATHS GIVE BEST RESULTS

Horace T. Dodge, M. D., Professor of Materia Medica, 25 Jacobson Bldg., Denver, writes Tyrrell's Hygienic Institute of New York as follows:

"I can truthfully say that I have had the very best results in my experience with the 'J. B. L. Cascade.' You certainly have struck the keynote of many diseases."

By means of the "J. B. L. Cascade" simple warm water cleanses the lower intestine the entire length, removes all the poisonous waste therein and keeps it clean and pure, as Nature demands it shall be for perfect health.

You will be astonished at your feelings the morning after taking an internal bath with the "J. B. L. Cascade." You will feel bright, brisk, confident and as though everything is working right—and it is.

It absolutely removes constipation and prevents Auto-Intoxication.

Foshay & Mason of Albany, Oregon, will show and explain the "J. B. L. Cascade" to you, and will also give you free on request a most interesting booklet, "Why Man of Today Is Only 50 Per Cent Efficient," by Dr. Chas. A. Tyrrell of New York, for 25 years a specialist on Internal Bathing. Ask for it today. —Adv.
