Ask Dad

JUST ask Dad to stay at home one day and do the family wash.

Dad won't do it. He'll say there ought not to be a wash day at all—that the home isn't the place to do the wash.

Dad will say to send all the wash to the laundry.

And Dad will be right.

All things considered it costs less to have us do the washing than to do it at home.

MAKE US PROVE IT!

Boys Calf Clubs—

S. V. Smith, county agriculturalist, met with the boys' calf club at 2 o'clock this afternoon at Shedd. Tanager also has a calf club, the only two in the county. McArthur & Scauff, of Rickreall, Polk county, have given two registered Jersey calves to the clubs of the state, and the Shedd club has secured one of this number. W. H. McConnell has been selected as leader. Five boys and an equal number of calves constitutes the least number under the rules to perfect a club. The prize Jersey calf is to be cared for by one boy and the other boys share their part of the expense. The money received from the sale of the calf is to be used for future investments by the club.
