ADVENTIST PASTOR
SPEAKS ON RICH
AND BOLSHEVISM

By N. C. Erntson, pastor of S. D. A. Church

"It is time for thee, Lord, to work: for they have made void thy law."
—Ps. 119-126.

Because people have departed from God's law and followed their own carnal desires, they can expect only evil. "O that thou hadst hearkened to my commandments! then had thy peace been as a river, and thy righteousness as the waves of the sea." Isa. 48:18.

Bolshevism is the result of setting aside the principles of God's law. The laboring people of Russia have been so oppressed by the rich, which were the ruling power, that they rebelled and money does not give a man social standing in Russia today.

I quote the words of Mr. H. V. Keeling as reported in the Washington Post of Feb. 27, 1919. "The population was originally divided into four categories, which exactly turn upside down the social classes of other countries. These are, first, manual laborers; second, clerical workers, provided they employ nobody; third, everybody who has employed one servant to a manufacturer employing a thousand hands; and fourth, all idle rich, princes, aristocrats, landowners and courtiers of every description. The penalty for failing to please the Bolsheviks is to be degraded from the class in which you get some food to the class in which you get scarcely any."

"In the last few months there has not been anything like enough for the first class and scarcely anything for the others. Class 4, the former rich, I should say, has disappeared. They have either got out of the country or been starved to death or shot or have turned themselves into workmen in order to get food."

"It makes it worse that you can have money in your pocket, but you can buy nothing. I have had rubles worth \$3,000 in my pocket and have not been able to buy a piece of bread. You don't trouble about money."

Mr. Keeling is an Englishman and went to Russia five years ago to teach the Russians certain new lithographic processes. I believe he gives us an unbiased report of events as they are where Bolshevism rules today. We will now read God's description of it as given in James the fifth chapter:

"Go to now, ye rich men, weep and howl for your miseries that shall come upon you. Your riches are corrupted, and your garments are moth-eaten. Your gold and silver is cankered; and the rust of them shall be a witness against you, and shall eat your flesh as it were fire. Ye have heaped treasure together for the last days."

"They shall cast their silver in the streets, and their gold shall be removed: their silver and their gold shall not be able to deliver them in the day of the wrath of the Lord: they shall not satisfy their souls, neither fill their bowels." Eccl. 7:19, Zeph. 1:14-18. Isa. 2:6-22. Isa. 8:11-22.

Never in the history of the world has there been such a heaping together of treasure as today. Over 7,000 millionaires in the U. S. One is styled a billionaire. Surely we are in the last days. But we should not turn against the governments but rather pray for them. Do all we can to help them in what is right. Then, as Christians, do as James 5:7-8 tells us. "Be patient therefore, brethren, unto the coming of the Lord." The coming of the Prince of Peace is the only remedy.

We'd get along a good deal better if reformers would stop spending so much of their time jumping onto Bolshevism and more of it remedying the evils that make Bolshevism.

SAGE TEA DANDY
TO DARKEN HAIR

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound to-night and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

This preparation is a toilet requisite and is not intended for the cure, mitigation or prevention of disease.

THE GOVERNMENT is spending millions right now and is going to spend millions more rebuilding our wounded.

Thousands of THEM who left legs, or arms, or health over there are asking you to reach something for them.
