

"Some Saving!" says the Good Judge

You men are saving every cent you can. You ought to know that this quality tobacco costs less to chew—not more!

You take a smaller chew. It gives you the good tobacco taste. It lasts and lasts. You don't need a fresh chew so often.

The Economy of Quality

The purchase of one of our Lawn Mowers is an investment—not an expenditure. It pays for itself through what it does. And what it does—day in and day out, month after month—has a CASH VALUE far in excess of the cost to buy.

We have one of the best stocks of ball bearing, up-to-date Lawn Mowers in the Valley at prices to suit your pocketbook.

Crawfordsville Jottings

CRAWFORDSVILLE, May 14.—Special.—The public schools close Friday. The children have worked faithfully to make up for time lost by the flu, and have succeeded in passing their grades. The high school still has five weeks, since they have nine months to complete.

Word has been received from Matthew Farley, who went to Los Angeles to the Soldiers' Home, to receive treatment for a cancer of the jaw, that he has gone on to Missouri on the same mission.

Jim Banta is home from Wendling, putting in his mother's garden.

On account of the sickness of the proprietor, the Cameron feedstore has been closed.

Mrs. Wilson Glass, who used to reside here several years ago, is visiting at the home of her sister-in-law, Mrs. James Smith.

Mrs. Elinor Barr and two sons, Jesse and William, were called to court in Albany last week in connection with the will of the late Grandma Anna Barr.

J. G. Dennis has returned home, leaving his wife much improved, and able to be removed from the hospital to the home of her sister, who lives in Corvallis.

John Hufford is the possessor of a fine new car.

George Finley and daughter, Mrs. Thomas Campbell, were visiting in Holley last Sunday. Mrs. Campbell is to join her husband in South Carolina as soon as school closes. Mr. Campbell is attending a naval training school.

Mrs. John Haltom went to Albany last week to receive medical treatment.

Miss Lettie Pratt spent the week-end at her home in Albany.

Mrs. J. S. Joyce expects to spend the summer at a camp at Wendling where her husband is employed as an engineer for the Booth-Kelley Co.

Sodaville Sparklets

SODAVILLE, May 14.—Special.—Messdames L. M. Horning and C. M. Henderson of Albany visited here last Thursday.

T. O. Chesshire had a public sale at the Philander Hazen place west of town last Wednesday, and will soon move to the Pease River country, Alberta.

Ubbie Peters of Albany and several of his religious friends held services in the Evangelical church here Sunday.

Miss Gladys Musgrave, who taught the primary department of the Sodaville public schools, left last Tuesday for her home near Heppner. She will return next fall and continue her school work.

The Ingram & James sawmill has been moved from Santiam to the Fir Grove Neighborhood east of town, and has begun work at the new location.

L. F. Ellis and wife, who spent the winter with their daughter at Everett, Wash., returned last week and will spend the summer here.

Shedd News Notes

SHEDD, May 14.—Special.—Fred C. Dunlap, local agent for the Hazelwood Cream Co., reports the past week as the banner one with the flood not yet reached. He received 8,000 lbs. of cream in six days and \$25 lbs. butterfat in April. He shipped over 200 cases of eggs in April.

E. A. Starnes is averaging about \$103 a week on 16 cows.

There are six farmers here averaging more than \$50 per week on cows.

L. M. and H. L. Landwick and wives, from Illinois, have been the guests of A. J. Hill and son of this city for several weeks. They visited Belknap Hot Springs. They seemed astounded at the immensity of the forests, the heights of the mountains and the wonderful courage of the people here.

Both gentlemen are mining engineers and are looking with longing eyes on the mineral resources of Oregon. A. J. Hill will accompany them to Portland where they will be joined by J. E. Bailey, a relative, and all will take in the Columbia River Highway.

The S. P. quarry at Saddle Butte is preparing to start work. They employ quite a number of men.

The S. P. general repair gang has been brightening up the town by painting the stockyards, repairing the depot and straightening up things in general. They make this their headquarters as much as possible, being drawn here by the excellent fare found daily on the tables prepared by Mrs. John Davis.

Measles are reported in the following homes: J. B. Cornett, W. H. McConnell, L. M. Allen, W. B. Davis, Jack Danen. Most of the patients are high school students.

Harvy Pugh and Geo. Maxwell are running their Fordson tractors day

Look and Feel Clean, Sweet and Fresh Every Day

Drink a glass of real hot water before breakfast to wash out poisons.

Life is not merely to live, but to live well, eat well, digest well, work well, sleep well, look well. What a glorious condition to attain, and yet how very easy it is if one will only adopt the morning inside bath.

Folks who are accustomed to feel dull and heavy when they arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, ran, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning, before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach.

The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While water and phosphate is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of "people" who are bothered with constipation, bilious spells, stomach trouble, rheumatism; others who have sallow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store which will cost very little, but is sufficient to make anyone a pronounced crank on the subject of internal sanitation.

FEW FOLKS HAVE GRAY HAIR NOW

Druggist Says Ladies are Using Recipe of Sage Tea and Sulphur.

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite to impart color and a youthful appearance to the hair. It is not intended for the cure, mitigation or prevention of disease.

and night in the hurried effort to get the spring seeding done for themselves and neighbors.

How It Happened

Owner—"How did you come to puncture the tire?"

Chauffeur—"Ran over a milk bottle."

Owner—"Didn't you see it in time?"

Chauffeur—"No; the kid had it under his coat."
