HAISEY PLANS TO IMPROVE PARK

Council Orders Wire Netting to Replace Old Board Fence

HAISEY, May 16.—Special.—Mr. and Mrs. F. H. Porter visited the county seat Friday.

E. E. Gourley had business calling him to the county seat Friday.

The Southern Pacific stockyards have received a new coat of white-wash, which brightens up their appearance and adds very materially to the looks of that part of town.

The city council has ordered the old board fence removed from around the tract of land in South Halsey known as the City Park and will replace it with a new woven wire fence. It is the desire of the council to make this a real park by getting a sward of grass started and beautifying it with flowers, and they hope to get the people of the town interested in the matter so that it will be made to look as pretty as any of the homes in the city.

W. A. Allen and Mrs. A. V. Holgate motored to Albany Saturday.

On Saturday, Mayberry & Frum shipped a car of hogs and cattle, and on Monday a car of sheep and hogs, to the Portland markets. Mayberry made the trip on Saturday and Chas. Gibson on Monday.

The Halsey high school picnicked on the banks of the Calapooia on Saturday, making the trip in autos.

A real estate deal was consummated last week whereby W. C. Sherling of Canada becomes the owner of Mrs. D. J. Owen's farm southeast of town. A. G. Bender of the real estate firm of Ritter & Lowe of Portland made the deal. Mr. Sherling will not take possession until after school this spring.

Jesse Liggett of Portland was a Halsey visitor Saturday. Mr. Liggett

QUIT MEAT IF YOUR KIDNEYS ACT BADLY

Take tablespoonful of Salts if Back hurts or Bladder bothers—Drink lots of water.

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night, when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.

The one safe rule—for the average person—is to expect and prepare to wear glasses for reading not far from the age of forty.

There are no unsightly lines in Kryptok lenses and they aid the eye and conserve its efficiency.

E. C. MEADE
Optometrist

for a number of years was a resident of this vicinity and is well known here.

J. C. Black of Portland was a Halsey visitor Tuesday, the guest of Mr. and Mrs. John Klepser at Blackshire, northwest of town.

A wedding of interest to Halsey people was that of Ferris M. Hathaway and Miss Blanche Booth of Eugene. Mr. Hathaway is owner of the Pacific Auto company's garage in Eugene and one of the largest dealers in autos in that city. Miss Booth is a former Oregon teacher but has recently been residing in Charlestown, New Hampshire. Ferris spent his boyhood days in Halsey, and has the best wishes of his many friends in this vicinity.

M. G. Reed of Albany was in Halsey and vicinity Tuesday for the purpose of buying wool.

GRANDMA SHARP CELEBRATES 85TH BIRTHDAY AT PARTY

Mrs. Elizabeth Sharp celebrated her 85th birthday on May 11, at the home of her daughter, Mrs. M. J. Scott, near Langent, with whom she makes her home. Four of her five living children, three of her nine grandchildren and eight of her 14 great-grandchildren were present.

The four generations were represented by three families and the five stages of life from infancy to old age were represented. A large number of acquaintances were present also, making a total of 61.

The large table was well-loaded with a feast, served cafeteria style. After the dinner a short program previously arranged was taken up, which was begun by singing "America." The grandmother and her children were arranged in three groups, first the children; next the grandchildren, and then the great-grandchildren, of ages from one to 19 years. A song was sung by the Misses Oleta and Delpha Wood with Miss LeVelle Wood at the organ. Recitations by Miss Thelma Wood and Dorothea Driver were given. Prof. F. M. Mitchell gave an interesting talk complimenting Grandma Sharp on the interest her relatives and friends were taking in her welfare, her ability to care for herself and assist in arranging the repast of which he had been permitted to partake. He also gave a short history of her early life in Tennessee, and when she came to Oregon to make her future home. He was followed by fitting remarks from L. B. Luper, G. H. Moss, J. F. Powell, Howard Jenks, E. R. Allen, Mrs. Blake and Miss LeVelle Wood.

F. M. Mitchell was recalled when he related an interesting story and presented an envelope which had been handed him for Grandma Sharp, containing a contribution from her children and friends, amounting to the sum of \$27.

Overland

Model 90 Breaks the World's Non-stop High Gear Record

Oh Boy!

The owner of an Overland owns all out of doors. In his Model 90 he goes in comfort and with an enjoyment possible only because of the high quality, fine appearance and unflinching performance of his car.

Last month in Oklahoma, a stock Model 90 Overland car broke the world's non-stop high gear record. 4,370 miles in 7 days and nights in high gear, over bad roads with a gas record of 20.66 miles per gallon.

This durability and economy is an every-day advantage for Model 90 owners—order yours now.
