Lacomb News Notes

LACOMB, May 17.—Special.—The quarterly convention of the Linn County Farmers' Union met with the Lacomb local Saturday, May 10. There were over 70 members present from various locals in spite of the fine weather which kept many at home finishing their late farming. Many matters were discussed, but the \$500.00 bond issue for county roads brought forth the most lively discussion. Several members were heard on both sides of the question.

State, President Brown, State Secretary Sikes, County Agriculturist S. V. Smith and Mr. Kistelman of the tri-state warehouse in Portland were present and gave an added interest to the meeting.

Prof. Davis of Portland gave a musical entertainment at the Union Hall Saturday night under the auspices of the Green Mountain school, which closed its term of school the day before. A good-sized audience was present to hear the chimes played for the first time at Lacomb.

Wm. Cox of Mahton, Wn., came to Lacomb Friday for a brief visit with his father, Cornelius Cox, who is very ill with heart trouble.

Carson Davenport of Larwood was a Portland visitor last week.

Wm. Snodgrass of Lebanon came out to Lacomb for the entertainment Saturday night.

A dance and reception to the returned soldiers will be given at the Lacomb union hall May 17th.

L. S. Clark and family visited the family of Howard Wight near Lebanon Sunday.

Miss Elsie Downing, who is attending high school in Lebanon, came out for the entertainment Saturday night.

Tennessee Locals

LEBANON, May 17.—Special.—Max, the 7-year-old son of R. C. Burkhardt, has been suffering with a severe case of tonsillitis.

Mr. and Mrs. E. E. Munsey, accompanied by Mr. and Mrs. John Parton, drove to Lebanon Sunday morning to hear the Mother's Day sermon by Rev. J. J. Canoles. The rest of the day was spent in visiting friends.

The recent rains were very beneficial to farmers and insure a fair grain crop.

Gilbert Parton was thrown from his pony a few days ago and his collarbone broken. He suffered also a bruised head and arm.

L. W. Denamore and family and Mrs. Prior visited Sunday with Mr. and Mrs. Alex Denamore near Peter's Butte. On their way home they visited the poultry farm of Lottie Arnold and report business prosperous for him. He is keeping 600 hens now and expects to raise 1200 hens this season, which he will keep for his own use. He has also hatched and sold several thousand day-old chicks.

Start Tomorrow
and Keep It Up
Every Morning

Get in the habit of drinking a glass of hot water before breakfast.

We're not here long, so let's make our stay agreeable. Let us live well, eat well, digest well, work well, sleep well, and look well, what a glorious condition to attain, and yet, how very easy it is if one will only adopt the morning inside bath.

Folks who are accustomed to feeling dull and heavy when they arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning, before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the water and phosphate is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, bilious spells, stomach trouble; others who have sallow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store. This will cost very little, but is sufficient to make anyone a pronounced crank on the subject of inside-bathing before breakfast.

Miss Elsie Downing was the houseguest of Miss Angeline Ryan Sunday. Mr. and Mrs. M. F. Ryan and Miss Betty and Will Ryan visited over-Sunday with Salem relatives.

The Misses Bessie Shank and Pearl Grimes and Messrs. Hal Shelton and Early Phillips motored to Salem Sunday.

G. H. Ray called at Mrs. Roxie Shank's Saturday.

Mrs. Henry Senz and son Frank and Mrs. Arnold Senz and daughter, Miss Florence, motored to Salem Thursday.

Ray McKnight of Scio visited over-Sunday at W. R. Ray's.

BOY SCOUT WEEK
TO BE JUNE 8 TO 14

By a Scout

Have you a Boy Scout in your home? If so, ask him who sold the most Liberty Bonds during the war; in fact, one of every 23. Ask him how many Scout pals he has in the U. S., all recruited during the last nine years; how many he has in the world and where they are found. Ask him whom Uncle Sam counted as among his most efficient aids during the war.

Ask him what great man, for truly great he is, and one whom every American citizen honors, is to conduct by personal direction and approval the campaign for Boy Scout Week, June 8-14. He will tell you that he is one of several millions in the world and of 400,000 in the U. S., that the Scout Movement is training for a prepared manhood, noble and clean. He will tell you that Scouts did more to aid the war than any other class of civil workers, aside from the Red Cross.

Wm. G. McAdoo, former secretary of the treasury, is chairman of the Boy Scout Week campaign, the aim of which is to extend the benefits of scouting to all boys not reached, and

to give every community a chance to express their appreciation of the scout movement.

Keep your ears and eyes open for a chance to boost scouting.

Students Cruise Timber

O. A. C., May 17.—Dean G. W. Peavy and 15 students in forestry have returned from camp near the base of Mary's Peak where they went for practical experience in cruising 640 acres of timber to estimate the

contents of the trees in board feet.

To Continue Military Work

O. A. C., May 17.—Military work will be continued at the college out the summer school session, arrangements having been completed whereby instructional work in military education will be offered for teachers preparing to work in high schools where junior reserve officers training corps are maintained under federal provisions.

Thanks to PERUNA

Mrs. Kate Marquis, Middleburg, Logan Co., Ohio, writes as follows:

"I have used Peruna with success. It has cured me of catarrh of the head and throat. It is the best medicine for catarrh that I have ever used. I am completely cured. Thanks to Peruna."

Mrs. Marquis is but one of many thousands who know the value of Peruna for that catarrhal condition of the membranes responsible for many of the human ills.

I Am Completely Cured
