Catarrh for Twenty Years

Mrs. M. S. Davis, 1607 10th Ave., N. Nashville, Tenn., writes:

"After having been a constant sufferer from catarrh for more than twenty years and after trying almost every remedy advertised, and having lost all hope, I very reluctantly began the use of Peruna about two years ago. Everybody says I look younger now than I did twenty years ago, and I actually feel younger and better, and weigh more. I am recommending it to my neighbors and all with whom I come in contact."

Warner's Rust-Proof Corsets

WE HAVE MADE AN EXTRA SPECIAL BUY, WHICH ENABLES YOU TO DO THE SAME

The Warner Corset Co. had a large export order all ready to ship, when the embargo was placed on Corsets; they therefore had a super-abundance on hand of one price of Corsets in two styles. So in order to clear their decks, they offered them to their dealers at a price very much lower than usual. B 24, and B 32 illustrated, are the two styles. We have ten dozen, but they won't last long. The regular price on these Corsets is \$1.75

Warner's Gilt-Edge Brassieres

Snug fitting, perfect shaping, durable brassieres are Warner's. Simply or elaborately, if you like, trimmed, making a very attractive background for a sheer blouse.

When you wear one you will know why well-dressed women think them indispensable.

A Time to Trust

Most men don't like to bother about finding out personally what kind of cloth wears best in the clothes they buy. They would rather put it up to a man who knows this business thoroughly.

If they buy CLOTHCRAFT CLOTHES they don't even have to take any man's word for it, because the makers take all the responsibility by putting a written guarantee of satisfactory WEAR and SERVICE in the pocket of every coat. We guarantee fit and good looks.

New Tires From Old

Discarding tires because the tread is worn usually means losing 75 per cent of the original investment.

With Miller Ad-On-A-Tires they can be rejuvenated—made almost as good as new—and oversize. Your tires will then deliver 100 per cent value on your investment.

The Miller Ad-On-A-Tire is built of several layers of fabric—breaker strip sidewalls, and famous Geared-to-the-Road tread. It is really a tire in itself without beads. It is tough, long-wearing and buoyant. Bring us your worn tires. We will re-mill them with the famous Miller Ad-On-A-Tire. The many caterpillar feet engage the ground like cogs, insuring positive traction and safety.

Our process makes the Miller Ad-On-A-Tire an integral part of your old tire. After it is applied you cannot tell the old tire from a new. It can be used on any tire regardless of make. Come in and see this wonderful tire saver.
