Ford
THE UNIVERSAL CAR

The Ford One Ton Truck is one of the sure business utilities, and likewise just as big a necessity on the farm. Farming is surely a business proposition wherein success depends upon economical methods with up-to-date machinery. The Ford Truck will prove a great economy on the farm. The marvel is "how the farmer has got along without it all these years." It is a servant that serves, always ready and always economical. Price \$350, without body, f. o. b. Detroit.

MILL CITY HONORS VETERANS OF WAR

Joint Services Near Gates
Held; Patriotic Service
Sunday for Men

MILL CITY, June 4.—Special.—Memorial Day was observed by the people of Mill City and Gates by services held at the Kings Prairie cemetery near Gates. Although the afternoon was stormy, about 150 people attended. Patriotic songs were sung by the school children and others. Prayer was offered by Rev. E. E. Clark who also gave the Memorial Day address. After the exercises the soldiers' graves were decorated with flowers by the children, under the direction of Mrs. Schroeder. Four veterans of the Grand Army of the Republic were present.

A patriotic service was given at the Mill City church Sunday evening, June 1, in memory of the deceased soldiers. Besides patriotic hymns there were three special musical numbers: a solo by Mr. O'Donnell with violin obligato by Mrs. Frank Bettis; a violin solo by Mrs. Frank Bettis; hymn, "America, the Beautiful," by the choir. Mrs. Nina Wadsworth Kahler was the organist. LeRoy Woods, an overseas soldier who had been in the artillery in France, gave an interesting account of his experiences on the ocean and in France.

The pastor, Rev. E. E. Clark, preached a short sermon on "The Christian Soldier," illustrating his theme from incidents of the Civil War and the Great War. The church was filled with a large congregation, a number being returned soldiers, all of whom enjoyed the service.

LEMONADE GREAT HELP TO WOUNDED

Salvation Army to the Rescue
at Wiping Out of Soissons Salient

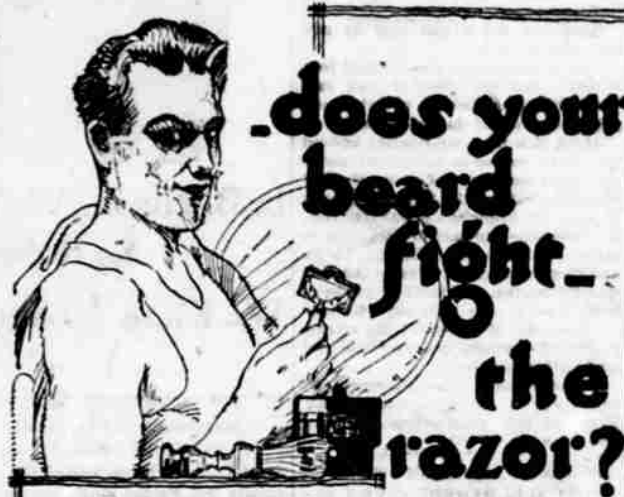

(From Stars and Stripes, Paris)
When the wiping out of the Soissons salient becomes a mere incident in the growing list of German victories that might have been there will be no item better remembered by men who were wounded while on that little job than the item of lemonade.

One division in particular will thank the Salvation Army with pocket-books open for the juicy yellow Italian fruit that happened to be near enough to Soissons and to Chateau Thierry wounded and afloat in the thick of things.

The Salvation Army had been looking forward to hot weather, drive or no drive, and they were getting ready to substitute real lemonade with rhind and everything, for the old reliable chocolate or the doubtful pinard. The water supply was none too good and when a man is hot he wants something to drink.

So when the doughboys and the artillery and the Signal Corps began sending representatives back to visit the dressing stations the Salvation Army came to the fore with those Italian lemons, beaucoup, sugar and barrels of clean water, which they brought up on a Ford delivery truck. Every Yany who got in range of that lemonade threw away his cigarette and made a dive for his tin cup.

The doctors say that a good many who couldn't walk and who couldn't make a dive for their share are going to live and go back to the States because they got a drink that killed their fever when they needed it most. Lemonade is a lifesaver to wound-fevered

Another thing that was imported for use in the emergency was mosquito netting. When the need for protection against flies was apparent at the evacuation hospitals and dressing stations the Salvation Army sent to Paris and got all they could.

Then too the doughnut batteries more than scored on this latest strategic retreat of Fritz. Two little Salvation Army ladies fed twenty-eight lost, hungry doughboys in less than six hours after starting their refreshment station.

Battle smoke could not drive away or blot out the cheerful smell of frying

MANY THINGS TO BE THANKFUL FOR

The United Artisans, as an Insurance Order, has many things to be proud of. To go through a war, the greatest war in the world's history and meet every claim out of its assessment income. To go through the greatest epidemic and pay every claim out of its assessment income. To be able at the same time to loan One! San. \$450,000.00. To be able to show a surplus at the end of the year. To be able to increase the assets. To be able to do all this without an extra assessment either for war or influenza is a record to be proud of and appreciated. The United Artisan Insurance Order was born and raised in Oregon. dj4w36*
