

Which for you? An old age burdened by blindness or feeble sight or one in which you retain your eyesight practically unimpaired? You will not lose the use of your eyes if we attend to them. Often good care and simple glasses, in youth or middle age prevent disaster in later life. Consult us in time.

CANADIAN INDIANS OF TODAY AND YESTERDAY

This photograph shows the striking contrast in the North American Indian of yesterday and today. The younger men in uniform are members of the Canadian expeditionary forces; the older men typify the Indian of yesterday, with one paleface among them for sake of fraternity. The older men tilled the soil while the younger men fought for their country.

Most housewives
Prefer

Crown
Flour

because it is always dependable; not good one time and poor the next, but ALWAYS good.

Crown Flour is as near right as the best wheat, modern machinery and expert milling knowledge can make it. Every household should use this splendid flour.

A trial will convince you.
