"THE LIVE MODEL CORSET"

The KABO system of fitting over 'LIVE MODELS' secures hygienic comfort and is especially important to consider when one chooses a corset for the growing girl or young woman. It means positive comfort and support for a pliant young figure.

FRONT-LACE or BACK-LACE, there is a KABO corset or waist for every type of figure, marked by an individual style which sets it apart from the usual model.

Reed Furniture

Like money, is good all the year 'round. When the weather is cool use it in your living room—it's handsome enough for any home. And when the weather is warm, use it on your porch or lawn—it's light enough to be carried without straining your muscles.

The demand for reed and wicker furniture is very great this year and we have an unusually large assortment of davenports, sofas, tea wagons, chairs and rockers at prices that are considerably lower than the same merchandise can be had for elsewhere.
