## Vudor Porch Shades

Self-Hanging Device made under patent license

protect you from the sun; give you perfect ventilation through the patented Ventilator WOVEN AT THE TOP OF EVERY VUDOR SHADE—the ONLY Shade made with a Ventilator—and give you as much or as little seclusion as you may want.

### THE NEW VUDOR SELF-HANGING DEVICE

enables you unassisted to hang a shade in a few minutes without making a single measurement; no screws, screw driver or boring tool used—nothing needed but a hammer. You can unhook the Shade in less than one minute to store it away for the Winter, and hook it up again in the Spring instantly; this keeps it clean when not in use and also doubles its life. We have VUDORS in the best-selling colors and all sizes. They are the most effective, durable Shade made. They last for many years and the cost per year of service is very moderate. Come in and see them.
