the past year working for the government war service board, is here, visiting her parents, Mr. and Mrs. Denver Hackleman. Eldon Hackleman, a son of Mr. and Mrs. Hackleman, also arrived home yesterday from Bremerton, Wash., on a ten-day furlough. He is in the government wireless service, stationed on a big tug at Bremerton, and enlisted for four years.

Piano Recital—A piano and organ recital will be given at the Methodist church Friday evening, June 20th, at 7:30 o'clock by pupils of Mrs. Winifred Werrell. Miss Ada Miller, soprano soloist of Salem, and Mr. J. C. Irvine, flutist, will assist in the program. All are welcome.

Visits Salem—Mrs. E. G. Goff of North Albany went to Salem this morning to visit relatives and friends.

#### SALEM BOY SCOUTS PASS THRU ALBANY

Thirty-six Boy Scouts from Salem under the command of Scout Executive Harold L. Cook arrived in the city at 4 o'clock this morning by special car on the southbound train enroute to Squaw Flat, 12 miles beyond Oak Ridge, and about one mile from McCredie Springs, for a three weeks' camping-out. They were accompanied by Mr. and Mrs. D. Morgan as chief cook and carried with them three truckloads of baggage and apparently sufficient supplies for a trip to the treacherousness.

The boys soon after embarking at the depot made a march down through the main part of the city and took the same without opposition, in the name and on behalf of the United States government. On their return to the

Springfield train they performed many stunts and improved every breath of the time in a continued round of pleasure.

The Boy Scouts of Linn county will be heard in the near future.

#### COOS COUNTY AGRICULTURIST HERE

County Agriculturist Smith and family of Coquille are in the city visiting at the home of his brother, County Agriculturist S. V. Smith of Linn. Mr.

Smith will buy some registered Jerseys and some hogs while here for some of the farmers of Coos county who are taking an active interest in registered stock. Several Linn County Jersey breeders went to Carlton, Yamhill county, today to attend the Jersey sale of Ed Carey. Henry Stewart of the Green Meadow Farm near Albany is to have a big Jersey sale Wednesday of this week.

## The Goodrich More Mileage Message

Goodrich is making the burliest, sturdiest, most lasting tires the rubber industry has ever seen; and Goodrich knows it.

In every test of road-roughing to which tires can be put, Goodrich Tires have unfolded an endurance, an ability to take punishment, which has run into phenomenal mileage.

Confident in this knowledge and belief, Goodrich desires that all tire users share in the confidence of Goodrich, and the big mileage Goodrich Tires assure.

Therefore, Goodrich announces to present and future owners of its pneumatic tires—an adjustment basis of 6,000 miles for SAFETY TREADS, and 8,000 miles for SILVERTOWN CORDS, instead of the 3,500 and 5,000 miles respectively, heretofore in force.

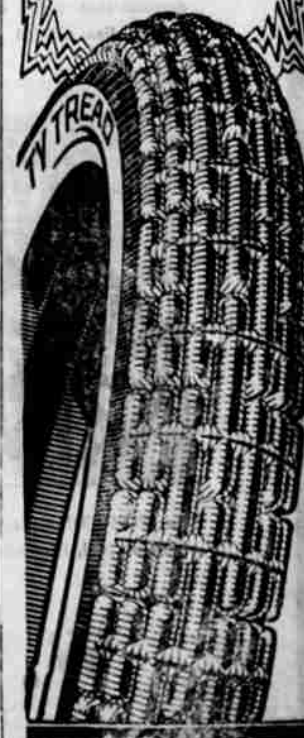

Remember that a Goodrich adjustment is a fair one. Goodrich knows the mileage is in its tires, and more; and to make you realize you lose money in being without Goodrich Tires, the new Goodrich adjustment is proclaimed broadcast.
