Gone Are the Days

Couriers on horse back were good enough in '61 but they gave place to dispatch bearers on motor cycles when Pershing flattened the St. Mihiel salient in forty-eight hours.

Castor oil, salts, mineral waters, pills and such purgatives were good enough in their day. Today they are giving place to Nujol. Nujol is entirely different from drugs as it does not force or irritate the bowels.

Nujol prevents stagnation by softening the food waste and encouraging the intestinal muscles to act naturally, thus removing the cause of constipation and self-poisoning. It is absolutely harmless and pleasant. Nujol helps Nature establish easy, thorough bowel evacuation at regular intervals—the healthiest habit in the world. Get a bottle from your druggist today.

Warning: Nujol is sold only in sealed bottles bearing the Nujol Trade Mark. All druggists insist on Nujol. You may suffer from substitutes.
