can be kept bright and clean much easier if walls and wood-work are coated with B-H Satin Egg Shell Finish. More sanitary too, for there will be no dust, nor germ-laden cracks to store up their hidden dangers. B-H Satin Egg Shell Finish—any one of twelve shades—makes a durable, smooth and slightly glossy finish. Can be washed with soap and water and will not crack. Bass-Harter products comprise a complete line of painting preparations—one for every use. They are of the highest grade and manufactured to meet Pacific Coast conditions.

REV. HAROLD J. MILLER, Pastor

Modern theology and a great American preacher says: "The slaughterhouse religion belongs to the dark ages. The gospel of gore is an entirely worn out dogma." But listen: The Bible says: "Without the shedding of blood there is no remission."—Hebrew 9:22. This puts us in the same position as Peter and Apostles at Jerusalem, as we dare answer the same as they, "We ought to obey God rather than man."—Acts 5:29. A Small Church of Great Blessings.

## Buy Your FORDSON TRACTOR AT ONCE

Now is the logical and safe time to buy your FORDSON TRACTOR. Manufacturers know that more machines will be wanted during this coming year than can be supplied. This is particularly true in regard to the FORDSON. Its popularity has created a demand that makes it certain that many farmers desirous of obtaining a FORDSON will be disappointed.

The FORDSON is simple to operate, compact, powerful, economical—operating on cheapest fuel, kerosene. Just as satisfactory at the belt as on the drawbar.
