BONTON CORSETS

Front Lace or Back Lace

Business women' including stenographers, private secretaries, clerks and all women who work, recognize how all-important it is to be properly corseted.

Sitting at a desk all day requires a supple, comfortable corset that DOES NOT bind or pinch, and one that HOLDS the form erect PREVENTING TIRED BACK. Standing demands a corset that supports the form, thus eliminating fatigue. BONTON corsets are anatomically correct, being scientifically designed over living forms.
