202 West Second St.

From Peoria—

Rev. Joseph Brown of Peoria passed through the city this morning on his way to Lacon to conduct religious services next Sunday.

NEIGHBORLY ADVICE

Freely Given by an Albany Citizen
When one has suffered tortures from a bad back and found relief from the aches and pains, that person's advice is of untold value to friends and neighbors. The following neighborly advice comes from an Albany resident.

T. P. Chance, carpenter, 1625 E. 2nd St., says: "A couple of years ago I strained my back at my work and soon I noticed that my kidneys were weak and disordered. I had read about Doan's Kidney Pills helping such cases and began their use. In a short time my back became strong again and all kidney disorders left me. I believe Doan's an excellent backache and kidney remedy and so recommend them."

Over three years later Mr. Chance said: "It has been several years since I have had to take a kidney medicine but I am ready to back every word of my former statement concerning my past experience with Doan's Kidney Pills. I recommend them at every opportunity." 60c. at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

SOCIAL & PERSONAL

Complimenting two guests from Portland, Miss June Lassin and Mr. J. E. Arnold, Mrs. P. R. Kelly was hostess to a number of young people in a most charmingly informal way Saturday evening of last week. Dancing was the evening's diversion and at a late hour the guests repaired to the veranda where dainty refreshments were brought on an effectively decked tea wagon. Professions of Dorothy Lassin were adorned the rooms attractively.

Exquisite appointments predominated at the pretty dinner party for which Mr. and Mrs. Joe E. Warner were hosts, complimenting the members of the Neos Nymphs club and their husbands, on Friday evening. Places were arranged at small tables where the attractive decorations were completed with carnations and other blossoms as centerpieces. The remaining evening's hours were passed in card-playing. The guests included Mr. and Mrs. John Neely, Mr. and

Mrs. A. B. Wilson, Mr. and Mrs. Olin Nebergall, Mr. and Mrs. Homer Dowd, Mr. and Mrs. Earl A. Boyle, Mr. and Mrs. Glenn Willard, Mr. and Mrs. Carl Canfield of Corvallis, Mr. and Mrs. Clinton Straney and the hosts.

On Tuesday the Pythian Sisters club formed a picnicking party and passed the afternoon in Bryant Park. The hours were pleasantly passed and at the close a delicious supper served.

A picnic of Wednesday afternoon was the one enjoyed by the Ladies of the Methodist church, when they passed the time in Bryant Park. A sumptuous lunch was a feature.

Attractive were the arrangements of the reception held in the Woodmen's Hall Friday evening, the occasion being to open the clubroom. The social hours were passed in a delightful way, completed by light refreshments.

A neighborhood picnic was the jolly event of last week when Mr. and Mrs. Rollin Hackleman were hosts to a number of friends on the Fourth. The affair took place in the early morning and a delicious picnic breakfast was served. There were about 14 guests.

Mrs. Lawrence Howard was hostess to a dinner party Wednesday evening honoring the birthday of her husband. Table appointments were completed with an attractive centerpiece of nasturtiums. Places were marked for Mr. and Mrs. Clinton Archibald, Mr. and Mrs. Asa Eastburn, Mr. and Mrs. Howard. Cards and music formed the evening's diversions.

The wedding of two former young Lebanon people took place in Ashland on July 4, when Miss Velma Gentry, a clerk in Hamilton's store at Albany, became the bride of Elmer Mitchell, a fireman on the Southern Pacific railroad between Ashland and Hornbrook, California. The bride is the daughter of Mrs. Etta Gentry of this city and was raised in this community. The groom is the son of William Mitchell and came here from Nebraska, when a small boy. The couple will make their home in Ashland—Criterion.

One of the pretty events of the past week was the party given in honor of Miss Norel Reiley, upon her 12th birthday. A number of her friends and playmates were invited for the afternoon and a jolly time was spent at games and other interesting diversions. A dainty lunch was served by her mother, Mrs. E. C. Reiley. The invited guests were Laura Bell, Marjorie Vunk, Priscilla Watrous, Eileen Randall, Lola Peabler, Geneva Sandstrom, Lottie Murrell, Lillian Ellingsworth, Pauline Bloom, Loretta Vonada, Vera Emmons, Susan and Ivy Batis, Norine and Nadyne Reiley.

Mrs. Amos Heister delightfully presided as hostess Thursday afternoon to the Hazelwood club, which met for the first time after several months. During the afternoon social hours several piano solos were rendered by Miss Isabelle Sprenger and a vocal selection by Miss Evelyn Van Norden. Shasta daisies and roses in quantities were the flowers used in attractive decoration. Mrs. Bert Davis was a complimented guest of the afternoon. Members present at this time were Mrs. H. Sprenger, Mrs. M. Sprenger, Mrs. W. H. Howard, Mrs. R. P. Howard, Mrs. D. B. Morrison, Mrs. Harry Wicks, Mrs. W. Anderson, Mrs. W. M. Van Norden, Mrs. E. Maxwell, Mrs. T. B. Burton, and Miss Isabelle Sprenger.

Weather Report—
Yesterday's temperature ranged from 43 to 71 degrees. The river registers 1.6 feet.
Here From Eugene—
Mr. and Mrs. Ernest Gilstrap and

DRINK HOT WATER IF YOU DESIRE A ROSY COMPLEXION

Says we can't help but look better and feel better after an inside bath.

To look one's best and feel one's best is to enjoy an inside bath each morning to flush from the system the previous day's waste, sour fermentations and poisonous toxins before it is absorbed into the blood. Just as coal, when it burns, leaves behind a certain amount of incombustible material in the form of ashes, so the food and drink taken each day leave in the alimentary organs a certain amount of indigestible material, which if not eliminated, form toxins and poisons which are then sucked into the blood through the very ducts which are intended to suck in only nourishment to sustain the body.

If you want to see the glow of healthy bloom in your cheeks, to see your skin get clearer and clearer, you are told to drink every morning upon arising, a glass of hot water with a teaspoonful of limestone phosphate in it, which is a harmless means of washing the waste material and toxins from the stomach, liver, kidneys and bowels, thus cleansing, sweetening and purifying the entire alimentary tract, before putting more food into the stomach.

Men and women with sallow skins, liver spots, pimples or pallid complexion, also those who wake up with a coated tongue, bad taste, nasty breath, others who are bothered with headaches, bilious spells, acid stomach or constipation should begin this phosphate hot water drinking and are assured of very pronounced results in one or two weeks.

A quarter pound of limestone phosphate costs very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, purifies and freshens the skin on the outside, so hot water and limestone phosphate act on the inside organs. We must always consider that internal sanitation is vastly more important than outside cleanliness, because the skin pores do not absorb impurities into the blood, but the bowel pores do.

LADIES: When irregular or delayed use Triumph Pills. Safe and always dependable. Not sold at drugstores. Do not experiment with others, save disappointment. Write for "Relief" and particulars, it's free. ADDRESS: National Medical Institute, Milwaukee, Wis.
