

WE HAVE INDIAN-HEAD in 33- and 36-inch widths, priced at 39c and 42½c a yard.

INDIAN HEAD

Use It Instead of Linen

Let the Youngsters Romp!

It's Indian Head, not linen, their little clothes are made of. Indian Head doesn't crush easily as linen does. Costs far less and, besides, will wash and wear and wear. Excellent for every purpose where one wants a durable white wash fabric.

For 80 years Indian Head quality has remained the same. We recommend it unhesitatingly. Ask to see the new linen finish.
