Camel Cigarettes

CAMEL Cigarettes meet your taste in many new and unusual ways. You quickly become fond of them—they are so refreshing and cool and fragrant.

You see, Camels are an expert blend of choice Turkish and choice Domestic tobacco which guarantees the most delightful cigarette qualities that have ever been put into a cigarette. Your test will prove that you prefer the expert Camel blend to either kind of tobacco smoked straight.

Camels blend not only frees the cigarettes from any unpleasant cigarette aftertaste or any unpleasant cigarette odor but it assures that remarkable mellow-mild-body! And, you'll be interested to know that no matter how liberally you smoke Camels they will not tire your taste!

Camels are a cigarette revelation! Prove that yourself! We suggest right here that you compare Camels with any cigarettes in the world at any price for quality and for satisfaction!

Camels are sold everywhere in scientifically sealed packages of 20 cigarettes or ten packages of 100 cigarettes in a glassine-paper covered carton. We strongly recommend this carton for the home or office supply or when you travel.
