Rheumachol

FOR RHEUMATISM

Why Groan and Grouch?

Live the life God gave you without rheumatic agonies. Splash thru the rain with a relish with no thought of painful effects. Get a bottle of RHEUMACHOL today and throw away your crutch, your cane and blister-raising liniments.

RHEUMACHOL is the surest relief we know of. It is successfully processed from hot and cold mineral waters that gush from the pulsing heart of the Rockies at Idaho Springs, Colorado. These nature-blessed gifts are fused with chemical properties which give RHEUMACHOL a miraculous healing power not found in other specifics.

RHEUMACHOL destroys gout, lumbago and other forms of rheumatism because it soaks out and removes the cause. RHEUMACHOL purifies, cleanses and rejects acid-poisons and replaces afflicted nerves and joints with purified tissues.

"The results obtained from my bottle of RHEUMACHOL were far beyond anything I ever expected," says a Mr. Tucker of Heaverton, Oregon. "This is just one example of numerous letters of like nature."

RHEUMACHOL is sold under the maker's guarantee as a remedy with curative properties therein for gout, lumbago, sciatica and other forms of rheumatism.

A Place for the Family

TO BUY SHOES

One customer in paying for the shoes he had bought for his four children, remarked: "We like to buy shoes here; we can bring in the children without feeling that they are in the way, take our time about fitting them, pick out the shoes we want as you have everything out in plain sight. Oftentimes I have taken a pair of shoes I really did not want, because the salesman seemed in a hurry and did not care to show any more shoes."
