Rheumachol FOR RHEUMATISM

Get Back in the Swim

Don't be an outcast from pleasure. Don't lie around nursing a painful grudge while others enjoy themselves. Don't kill their joy by suffering their sympathy.

"Get back in the game quickly and surely by taking RHEUMACHOL for your rheumatism. Scores of people credit RHEUMACHOL with complete cures. Thousands upon thousands of bottles have been sold under the makers' money-back guarantee without one dissatisfied claim.

There's a reason—a splendid reason. Nature and science are wedded in RHEUMACHOL. The curative, healing waters pulsing from the heart of the Rockies at Idaho Springs, Colorado—the great American Spa for rheumatism—are so scientifically blended with other cleansing and purifying chemicals that the acid toxins causing rheumatism in its various forms are ejected, leaving clean, healthy organisms in their stead.

Rheumatism is no unnecessary pain since the great discovery of RHEUMACHOL. Get a \$1.00 bottle today from your druggist.
