**PUT STOMACH IN FINE CONDITION**  
Says Indigestion Results from an Excess of Hydrochloric Acid.

Undigested food delayed in the stomach decays, or rather, ferments the same as food left in the open air, says a noted authority. He also tells us that indigestion is caused by Hyper-acidity, meaning, there is an excess of hydrochloric acid in the stomach which prevents complete digestion and starts food fermentation. Thus everything eaten sours in the stomach much like garbage sours in a can, forming acid fluids and gases which inflame the stomach like a toy balloon. Then we feel a heavy, lumpy misery in the chest, we belch up gas, we eructate sour food or have heartburn, flatulence, water-brash or nausea.

He tells us to lay aside all digestive aids and instead, get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast and drink while it is effervescing and furthermore, to continue this for a week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices. Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia and sodium phosphate. This harmless salts is used by thousands of people for stomach trouble with excellent results.

of things they could use, borrowing some money from his father-in-law on the pretense of wanting to go to Belknap Springs for his health. But instead he went to Lebanon, where he stocked up well with cats and auto tires.

The girl in the case is only 15 years old. They were seen near Belknap Springs on Saturday evening, and it is supposed they made their way over the mountains that way.

Miss Garnet Parton returned Saturday from a visit in Portland. Miss Eunice Mackey is also visiting in Portland.

Mrs. Roy Evans has been in Portland for sometime taking treatments of a specialist for lung troubles.

Mr. and Mrs. R. C. Burkhardt and son Max accompanied by Mrs. Burkhardt's sister and brother-in-law, Mr. and Mrs. Frank George, made a trip by auto recently to the home of the sister of Mrs. Burkhardt and Mrs. George at Bend.

Mr. and Mrs. Everett McClellan of near Corvallis visited over Sunday with Mrs. McClellan's parents.

O. R. Keebler and family, Mrs. Keebler's sister from Portland, Mr. Groves and family and a number of other friends and relatives made up a party which went up on the McKenzie river for a few days' outing. While there they were poisoned by ptomaine.

A very enjoyable picnic was held in Fir Grove Park, Salem, Sunday in honor of Edkar Wooton and family, from Phoenix, Ariz. Mrs. Wooton was formerly Miss Burnside McDonald

of this county who taught school a number of years here. She went to Arizona to be with her sister there. Her sister died. She remained and married Mr. Wooton. He is a member of a development company which buys up undeveloped land and puts it under irrigation. They then raise cotton on the land. They now have 2,000 acres of cotton in the Salt River Valley.

At this picnic also was Mrs. Wooton's grandfather, A. R. McDonald, a pioneer of Linn county, and a number of his children and their families, totaling about 30, were present.
