A Famine

What has become of the old-fashioned revivals, mourners' benches in Churches, Prayer Meetings of Power, testimonies of blessing, and the presence of the Spirit upon many lives? Are we in a famine? Yes, I say a famine indeed.

Why has social reform been substituted for the old-fashioned Gospel? Social Reform is a means to an end, and not an end within itself. All reforms accomplished will come before the Judgment, ragged and filthy. Then why lay at ease and die in the famine? We need a Mighty Awakening. Let us come the Bible Route. "Be not conformed to this world; but be ye transformed by the renewing of your minds, that ye may prove what is that good and acceptable, and perfect will of God." Romans 12:2.

THE PROPER COURSE

Information of Priceless Value to Every Albany Citizen

How to act in an emergency is knowledge of inestimable worth, and this is particularly true of the diseases and ills of the human body. If you suffer with kidney backache urinary disorders, or any form of kidney trouble, the advice contained in the following statement should add a valuable asset to your store of knowledge. What could be more convincing proof of the efficiency of Doan's Kidney Pills than the statement of an Albany citizen who used them and who publicly tells of the benefit derived?

Mrs. R. E. Bilyeu, 140 E. Fourth St., says: "I can certainly speak a good word for Doan's Kidney Pills. I have taken them on several occasions for kidney trouble and lameness across my kidneys and they have always relieved me. Members of my family have also been greatly benefited by Doan's Kidney Pills and we consider them a very fine kidney medicine." 60c. at all dealers. Foster-Milburn Co., Mfgs., Buffalo, N. Y.
