Brownville Items

The haybaling outfit of Clarence Nichols had a narrow escape from being burned up Friday when the baled hay caught fire. About 30 tons of baled hay was burned and the hay-baler was pulled out just in time to prevent destruction. It is thought that the hay was set fire by the exhaust from the gas engine. The hay belonged to George Bowers and Wm. Roberts. About one ton was saved. The Farmers Warehouse of Brownville is nearly completed and is already nearly filled with hay. Cleaning machinery has not yet been installed and they will probably not be able to handle much grain this season.

Short Story Hour at Library

Mrs. W. H. Davis will entertain the children at 4:00 o'clock Friday. She

will give fairy stories, talk of animal pets, and interpret Gene Stratton Porter's beautiful nature book, "Morning Face." Some new games will be taught at the close of the hour. All children are welcome.

Back in Hospital

Spike Hays, who was nearly killed by a charge of electricity while working on a pole near the Hecker farm a few months ago, has been taken back to St. Mary's hospital for further treatment. The use of his injured foot too much before it had healed properly made the course necessary.

Returned from Newport

Mrs. Bert Stevens and children returned yesterday from Newport where they have been spending the summer.

Home from Minnesota

Mr. and Mrs. C. E. Bruce have returned from a trip to Le Verne, Minnesota, where they went to attend a family reunion of the Bruce family. Mr. Bruce's father is 82 years old and his mother is 76, both hale and hearty and very active. Seven children from five different states were present and a fine time was enjoyed.

Peter Lambert, who is now representing an electrical supply house, was in the city on business yesterday. Visiting at Naper Home.

Mr. and Mrs. Frank Herdman and son Mason of Tacoma are spending a few days visiting at the home of Mrs. Chas. Naper.

Business Visitors

H. C. Witman and Robt. Severnson of Lebanon were Albany business visitors this forenoon on their way to Portland. Mr. Witman is an enthusiastic fruit grower for the Lebanon cannery.

Leaves for Corvallis—Judge D. B. McKnight left this noon for Corvallis where he will reside for the coming year.

Makes Trip to Portland—Mr. and Mrs. J. L. Irvine and son Jimmy left this morning for Portland to spend a few days visiting.

Returns to Salem—Miss Blanche E. Gibson of Salem who has been visiting at the home of her grand mother Mrs. G. W. Goff of North Albany returned home today.

New vs. Old

THE BRUNSWICK METHOD of Reproduction has established new standards of tone projection, due to two outstanding features—two departures from old methods.

The ULTONA reproducer enables you to play all records at their best. Just a turn of the hand presents to each type the proper point and diaphragm, its exact position on the record, and the precise degree of pressure.

As no one record maker has all the desirable singers and entertainers, the advantages of the ULTONA are easily appreciated. The BRUNSWICK Amplifier brings out tones hitherto lost and eliminates the usual metallic sounds, for it is built entirely of molded wood like a fine violin.

Let us explain all the features of The Brunswick to you. We shall gladly put it to any test you wish. But you shall be the judge of its superiorities.

The BRUNSWICK

The Brunswick requires no exclusive artists

Plays all makes of records at their best
