Sanderson's Bridge News

Sanderson's Bridge, Aug. 27—Threshing is the order of the day in this community. Walter Myers has purchased a small threshing machine and will thresh his own grain. The Gillispie family is visiting in Portland. Bob Hayes went to Portland for a week's vacation. Mr. Ray the general mail carrier went to the Coast for a vacation. V. H. Powell is carrying the mail for a month. Fay and Lena Kellar of Lebanon spent Sunday with their uncle, J. W. Kellar. Mr. F. N. Reece, who moved to Salem a year ago renewed old acquaintance last week and purchased some wood in the vicinity.

ADVERTISEMENT FOR STREET IMPROVEMENT

the proper subgrade.

Second: By paving the roadway of said street twenty feet in width with asphaltic concrete pavement on an asphaltic concrete foundation. Third: By laying and constructing rock and gravel shoulders. Fourth: By laying and constructing wood headers. II. First Street from the West curb line of Sherman Street to the East line of Pine street, in the following manner, to-wit: First: By grading said Street to the proper subgrade. Second: By paving the roadway of said street full width with asphaltic concrete pavement on an asphaltic concrete foundation. Third: By constructing inlets. Fourth: By laying and constructing asphaltic concrete headers. III. Sixth Street from the West curb line of Washington Street to the East curb of Elm Street in the following manner, to-wit: First: By grading said street to the proper subgrade. Second: By paving the roadway of said street full width with asphaltic concrete pavement on an asphaltic concrete foundation. Third: By laying and constructing asphaltic concrete headers. Fourth: By constructing inlets. Fifth: By laying vitrified sewer pipe. Sixth: By constructing and establishing monuments. IV. Elm Street from the North line of Ninth Street southerly to the city limits in the following manner, to-wit: First: By grading said Street to the proper subgrade. Second: By paving the full intersection at Ninth and Elm Streets with asphaltic pavement on an asphaltic concrete foundation. Third: By laying and constructing asphaltic concrete headers. Fourth: By laying and constructing wood headers. Fifth: By laying and constructing wood and gravel shoulders. Said improvements to be made in accordance with the charter and ordinances of the City of Albany and plans, specifications and estimates of the acting City Engineer on file in the office of the City Recorder, where said plans may be seen and specifications and estimates obtained. Bids will be opened at 8:00 o'clock P. M. September 10, 1919. No proposals or bids will be considered unless accompanied by a certified check, payable to the City of Albany in an amount equal to five per cent of the aggregate bid, to be forfeited as fixed and liquidated damages in case the bidder neglects or refuses to enter into a contract and provide an approved bond or bonds for the faithful performance of the work within ten days after the notification of the award of contract to such bidder, which said bond or bonds shall provide for the sum of \$5,000 on the account of the improvement of Salem Road; \$4,000 on the account of the improvement of First Street; \$10,000 on account of the improvement of Sixth Street, and \$4,000 on account of the improvement of Elm Street. Proposals shall be made separately for each improvement and bidders may submit a proposal for all of said improvements. All bids must be made with a view of completing the construction prior to the 1st day of November, 1919, under a liquidated penalty for damages of \$25.00 for each day of delay upon each of said improvements not completed within that time. The Council reserves the right to reject all bids deemed unreasonable. All bids must be addressed to "City Recorder, Albany, Oregon," and marked "Proposals for Street Paving." By order of the Council. L. G. DEWELLING, Recorder of the City of Albany. a290059
