Headache

THOUSANDS OF WOMEN suffer miserably from periodic attacks of headache, never dreaming that a permanent cure may be had. Headache nearly always results from some disorder of the stomach, liver or bowels. Take Chamberlain's Tablets. They will correct these disorders and there will be no more headache. Many have been permanently cured by Chamberlain's Tablets.

New vs. Old

THE BRUNSWICK METHOD of reproduction has established new standards of tone projection, due to two outstanding features—two departures from old methods.

The ULTONA reproducer enables you to play all records at their best. Just a turn of the hand presents to each type the proper point and diaphragm, its exact position on the record, and the precise degree of pressure.

As no one record maker has all the desirable singers and entertainers, the advantages of the ULTONA are easily appreciated. The BRUNSWICK Amplifier brings out tones hitherto lost and eliminates the usual metallic sounds, for it is built entirely of molded wood like a fine violin.

Let us explain all the features of The Brunswick to you. We shall gladly put it to any test you wish. But you shall be the judge of its superiorities.
