Charles Glafke of Portland were hostesses for a dinner party given at the Hotel Abbey in Newport Thursday evening for the pleasure of several Albany people. Covers were placed for six around a table centered with a low bowl of white and pink roses. These complimented were Mrs. Wallace Howe Lee, Mrs. Nat Stephens, Mr. and Mrs. William Fortmiller.

For the pleasure of her brother William, who has recently returned from overseas, Miss Rose Jacobs was hostess for a lawn party last Wednesday evening at the home of her mother, Mrs. Mary Jacobs, on Santiam Road. The lawn was beautiful with Japanese lanterns, shaded lights, cozy nooks and cushions. The house, too, was pretty in a profusion of wild flowers. Taffy pulling, games and dancing were the diversions of the evening. At a late hour lunch was served. Those invited were Misses Agnes Dixon, Nellie Nygren, Rosanna LaSelle of Portland, Hershel Payne, Anna Nygren, Clara Nygren, Elsie Nygren, Mrs. Robert Evans, the Messrs. Herbert McKay, Robert Evans, William Jacobs, Victor Nygren.

Joe Jacobs and Buster LaSelle.

Miss Vivian Emmons was pleasantly surprised last Thursday evening by a number of her young friends, who gathered at her home on West Eleventh street, the occasion being her sixteenth birthday. Sweetpeas and roses were prettily arranged about the room. Pink rosebuds and white sweetpeas hung in graceful festoons from the chandeliers and a basket of them hung over the table. The evening's pleasure consisted of games and music, followed by dainty refreshments. Those in the party were Eula Haley, Marie Rohrbough, Irene Powers, Gladys Corley, Beatrice Hall, Violet Flo. Paynter, Gertrude Chandler, Verna Emmons, Vivian Emmons, Mrs. Smith, Florence Pierce, Mrs. W. A. Jones, Mrs. Handler, Messrs. Will Batis, Leonard Smith, Grant Powers, Mr. Handley, Mr. Smith and Mr. and Mrs. Emmons.

Mrs. Ida May Hughes and Mr. Geo. J. Oakley were united in marriage Wednesday evening, Aug. 27, at the home of the bride, between Mill City and Gates. The service was simple, being performed by Rev. E. E. Clark. Mrs. Caroline Work and Mrs. Minnie Maxwell were witnesses. Mr. Oakley is a mining man and has been a resident of Marion county for the past ten years.

A jolly crowd of young people motored to Lebanon Friday and spent the evening in the park, the amusement being swimming. Later the baskets were opened and a big feed enjoyed.

TO DARKEN HAIR APPLY SAGE TEA

Look Young! Bring Back Its Natural Color, Gloss and Attractiveness.

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old-time recipe improved by the addition of other ingredients. While wispy, gray, faded hair is not one's ideal, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant. This preparation is a delightful toilet requisite and is not intended for the cure, mitigation or prevention of disease.

The marriage of Miss Hilma Hiatt to Joe Crocker was an event of Monday evening, attractive in its simplicity. There was no bridesmaid or best man. The young couple, accompanied by relatives and a few close friends, motored to Corvallis where the Rev. Mr. J. C. Clyde of the Congregational church performed the ceremony. On Wednesday evening about sixty of Mr. and Mrs. Crocker's young friends gave them an old-fashioned charivari. Supplying themselves with the necessary articles, they started for the Crocker home; but at the first tinkle of a bell, Mr. Crocker opened the door and invited them to enter. After congratulations and presentation of pretty and useful gifts, a good time ensued. Dancing was indulged in until a late hour, when Mrs. Crocker served light refreshments.

The home of J. W. Newman in North Albany, honoring their new members. The lawn was a bower of beauty with shaded lights and Japanese lanterns casting a soft glow over the velvet green carpet of greenward where the young people assembled. The evening passed quickly with games, music and a general good time. At the close of the evening light refreshments were served.

Moving to Spokane—
R. S. McDonald and family are leaving tomorrow evening for Spokane to make their home. Mr. McDonald is going into the logging business.

ACID IN STOMACH SOURS THE FOOD

Says Excess of Hydrochloric Acid is Cause of Indigestion.

A well-known authority states that stomach trouble and indigestion are nearly always due to acidity—acid stomach—and not, as most folks believe, from a lack of digestive juices. He states that an excess of hydrochloric acid in the stomach retards digestion and starts food fermentation, then our meals sour and produce gas, which inflates the stomach like a toy balloon. We then get that heavy, lumpy feeling in the chest, we eructate sour food, belch gas, or have heartburn, flatulence, water-brash, or nausea. He tells us to lay aside all digestive aids and instead get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast while it is effervescent, and furthermore, to continue this for one week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas-making mucus, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices. Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia and sodium phosphate. This harmless salt is used by thousands of people for stomach trouble with excellent results.

DRINK A GLASS OF REAL HOT WATER BEFORE BREAKFAST.

Says we will both look and feel clean, sweet and fresh and avoid illness.

Sanitary science has of late made rapid strides with results that are of untold blessing to humanity. The latest application of its untiring research is the recommendation that it is as necessary to attend to internal sanitation of the drainage system of the human body as it is to the drains of the house. Those of us who are accustomed to feel dull and heavy when we arise, splitting headache, stuffy from cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter. Everyone, whether ailing, sick or well, should, each morning before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully illuminating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the phosphated hot water is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs. The millions of people who are bothered with constipation, bilious spells, stomach trouble, rheumatic stiffness; others who have sallow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store. This will cost very little, but is sufficient to make anyone a pronounced crank on the subject of internal sanitation.
