BE PRETTY! TURN GRAY HAIR DARK

Try Grandmother's Old Favorite
Recipe of Sage Tea and
Sulphur.

Almost everyone knows that Sage
Tea and Sulphur, properly compound-
ed, brings back the natural color and
lustre to the hair when faded, streaked
or gray. Years ago the only way to
get this mixture was to make it at
home, which is messy and trouble-
some. Nowadays, by asking at any
drug store for "Wyeth's Sage and Sulphur
Compound," you will get a large
bottle of this famous old recipe, im-
proved by the addition of other in-
gredients, at a small cost.

Don't stay gray! Try it! No one
can possibly tell that you darkened
your hair, as it does it so naturally
and evenly. You dampen a sponge or
soft brush with it and draw this
through your hair, taking one small
strand at a time; by morning the gray
hair disappears, and after another ap-
plication or two, your hair becomes
beautifully dark, glossy and attractive.
Wyeth's Sage and Sulphur Com-
pound is a delightful toilet requisite
for those who desire dark hair and a
youthful appearance. It is not in-
tended for the cure, mitigation or pre-
vention of disease.

HAMILTON'S Latest Styles in Women's Wear

CORRECT COAT STYLES

Rarely may one find materials which embody so many highly desirable features as those we are showing for Autumn wear.

Warmth, lightness, beauty are equally notable, and the free graceful lines which Fashion dictates to accentuate a distinctive silhouette, serve to emphasize the luxurious quality of these well-chosen fabrics. First favorites have among them Duvetynes, Glove Cloths, Bolivias, Velour De Laine, and Silver-tones.

Many introduce the most charming diversions in handsome fur adornment, others designed expressly for practical Street, Touring, General Utility purpose, adhere to self trimmings, and may be worn with or without a separate fur wrap. Excellent selections.

\$16.75 to \$99.50

STYLE 706—Fashioned of Seal, the new fur-fabric so much in favor. The deep brown backed pile closely simulates sealskin. The lining is of a splendid radium silk. Correct in style and with the carefulness of detail which characterizes all PRINTZESS Garments \$75.00

STYLE 806—A clever, youthful model fashioned of Polo Cloth in brown. It is full lined with soft satin. The style emphasizes the new silhouette with the fullness of the front. The new wide fringe stock collar is faced with the blue wool velour. The narrow belt of self material buttons in front. Buttons are used in the trimming and the cuffs are also edged with the blue wool velour in harmony with the collar facing \$39.50
