FORMER LINN CO. MAN MAKES GOOD

Mr. and Mrs. Walter Blackburn of near Ukiah, Umatilla county arrived in Albany yesterday noon to visit Mr. Blackburns mother, and his sister, Mrs. C. H. Murphy.

Mr. Blackburn is a son of the late A. P. Blackburn of Lebanon and was born in Linn county. He is one of the Linn county boys who is making good. On being questioned regarding his acquired possession since going to Umatilla eight years ago, he reports having won the hand of one of the best "school mams" in the county as a wife and that he has at this time 1300 acres of land of his own and 500 leased and about 200 head of cattle and other stock.

Mr. Blackburn reports a failure in crops in his section this year, most of the stock men are buying hay in large quantities for the winter. Straw he said, sells for the acre at \$3.00. While Mr. Blackburn is not out to advertise his private business and does not appear to think he is above the average young man in acquiring success, it would appear to the ordinary business man that he has been "going some."

OPEN NOSTRILS! END A COLIC OR ATARRH

How To Get Relief When Head and Nose are Stuffed Up.

Count fifty! Your cold in head or catarrh disappears. Your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more snuffing, hawking, mucous discharge, dryness or headache; no struggling for breath at night.

Get a small bottle of Ely's Cream Balm from your druggist and apply a little of this fragrant antiseptic cream in your nostrils. It penetrates through every air passage of the head, soothing and healing the swollen or inflamed mucous membrane, giving you instant relief. Head colds and catarrh yield like magic. Don't stay stuffed up and miserable. Relief is sure.

Camel CIGARETTES

CAMELS supply cigarette contentment beyond anything you ever experienced! You never tasted such full-bodied mellow-mildness; such refreshing, appetizing flavor and coolness. The more Camels you smoke the greater becomes your delight--Camels are such a cigarette revelation!

Everything about Camels you find so fascinating is due to their quality--to the expert blend of choice Turkish and choice Domestic tobaccos.

You'll say Camels are in a class by themselves--they seem made to meet your own personal taste in so many ways! Freedom from any unpleasant cigarette after-taste or unpleasant cigarette odor makes Camels particularly desirable to the most fastidious smokers. And, you smoke Camels as liberally as meets your own wishes, for they never tire your taste! You are always keen for the cigarette satisfaction that makes Camels so attractive. Smokers realize that the value is in the cigarettes and do not expect premiums or coupons!

Compare Camels with any cigarette in the world at any price!

Camels are sold everywhere in substantially sealed packages of 25 cigarettes or ten packages (100 cigarettes) in a standard paper-covered tin. We strongly recommend this course for the home or office supply or when you travel.
