

LADIES STUDY CLUB IS BUSY AT BROWNSVILLE

BROWNSVILLE, Oct. 29 — The Brownsville Ladies Study Club is a very energetic body and in many respects it is a model club. It exercises itself with work which has to do with civic improvement, and devotes much time to the study of important subjects. The ladies have outlined for the winter a course of study in American Literature which would do credit to any college in the land. The subject topics are as follows: Religious Literature; American Essays; Earlier Poetry; Historical Fiction; American Song Writers; Writers of Adventure; Romance; Oratory; Patriotic Writers; Drama; Humorous Writers; Modern Poetry, and Women in American Literature.

Miss Crystal Templeton, daughter of Clarence Templeton, is attending the Normal school at Monmouth. She was the capable manipulator of the piano at the Miller Movie show before going to Monmouth.

Terrified, the robber released his hold on the widow's throat and fled. The alarm had been given by the parrot.
