

Plays All Makes of Records, Does the STRADIVARA

KNOWN FOR TONE
PATENTED

Owners of the modern phonograph—the Stradivara—are not limited in the records they can play. With this instrument you can have an unlimited selection because the universal reproducer plays the playing of every make of record.

No need to purchase an instrument now that plays only its own records. The Stradivara has eliminated this. When you have a Stradivara the unlimited record libraries of the world's largest record makers—all of them—are at your service.

The Stradivara has a sound-board like a piano—a radical departure from the old-style phonograph. There are no metallic, piercing or megaphonic tones.

Sunday or Weekday you can depend on the

Exide Battery

STARTING AND LIGHTING

It is made to depend upon. Thirty-one years of nation-wide experience in building storage batteries for every purpose have gone into its designing.

It is the same type of battery that provided undersea power for Uncle Sam's submarines in the war with Germany—the same type of battery that the U. S. Government has long used for its army and navy—the same type of battery that is used in the majority of farm electric lighting plants.

In city, suburb or country the "EXIDE" is the battery that is the choice of the motorist who has tried all batteries. There is an "EXIDE" of proper size and type for every automobile, truck and tractor now in use.

It is the battery that is right—not in one prominent detail, but in every detail.

There is an "EXIDE" Service Station near you, (we will send you the address on request) where you can procure the "EXIDE" or where you can get quality "EXIDE" Service for the battery you are now using.

Send for a copy of our folder "Nine Points of Exide."

Don't forget that there is an "EXIDE" Battery especially made for your House Lighting Plant.

OLD-TIME COLD CURE— DRINK HOT TEA!

Get a small package of Hamburg Breast Tea at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus breaking up a cold.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB RHEUMATISM FROM STIFF ACHING JOINTS

It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache, neuralgia. Limber up! Get a 30 cent bottle of old-time, honest "St. Jacobs Liniment" from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.
