The Sweeper you've
been waiting for—

Vacuelle
Sweeper

TAKE the Virtues of electric cleaners, add to them the Convenience of ordinary carpet sweepers, remove the drawbacks of both and you have the new VACUETTE!

It picks up all dirt, lint, thread, hair and ravellings but requires no wires for electric connections. A strong suction lifts all dirt into the dust-bag, without spreading or dropping dust back on the floor. The wide low nozzle dives conveniently under heavy furniture. Strongly built and durable, yet light (6 1-2 lbs.), a child can easily operate it.

Let us Demonstrate the VACUETTE to you

COUNTY NEWS

Notes from all parts of Linn
County

Gates Gatherings

Gates, Ore., Nov. 8.—C. D. Bevier
went to Portland Monday returning
Saturday.

Mr and Mrs Sam Edwards returned
to their home at Vancouver, Wash. after
spending several months in Gates
where Mr Edwards has been in the
employ of the Gates Mill Co.

Mr and Mrs H. T. George were en-
tertained at the home of Mrs Anna
Acker Thursday afternoon.

Mr and Mrs George Random have
moved back into their own house, hav-
ing rented it for the summer while
they went for an outing to California.

Miss Lillie Dike passed through
Gates Wednesday on her way to Mill
City to do some shopping.

Wm Howard took a pack load of
supplies to the Black Eagle Mine
Thursday.

W. E. Bevier made a business trip
to Staten this week.

Green Mountain Lodge will de-
cate their new Hall in Gates Nov. 8
with an appropriate program and sup-
per.

The linoleum has arrived and has
been laid in the dining room of the
I. O. O. F. Hall at Gates.

The Gates Mill Co. has closed log-
ging operations for the present and is
repairing the Mill and getting their
lighting plant in readiness for the
coming dark weather.

The rain has fallen almost contin-
uously for the past ten days which
has raised the Santiam river consid-
erably but no damage has been done
as yet by the high water.

Tangent Sightings

Tangent Ore., Nov. 8.—Mrs Susan
Newton of Seattle has been visiting
at the home of her nephew, R. C.
Archibald for the last week. She is
a sister of Philip Swank of Tallman.

Mr Higgins and wife of Flatrock,
Illinois visited with the family of H.
S. Pinkstaff as they passed through
the valley on their way to California.
They were neighbors of the Pinkstaff's
before they came to Oregon.

M. F. Wood and daughter Delpha of
Corvallis passed through Tangent Sat-
urday on their way to the farm near
here.

Charley Safford and wife of Gold
Hill stopped off at Tangent to visit
Mrs Staffords parents. Mr and Mrs
E. E. Avery for a few days. They
were on their way to Salem where
Mr Stafford has a job of electrical
wiring the new paper mill.

W. D. Jenks and wife expect to soon
move to Corvallis to spend the winter
with Mrs Jenks mother, Mrs P. A.
Moses.

Carl Cassavan, a former resident of
Tangent but of late of Palestine, Ben-
ton county has returned here and is
located in the house belonging to Mrs
Munn.

Bert Laugdon and family have mov-
ed to Albany for the winter.

Miss Jessie Jenks and Miss Agnes
Mehring are attending the Monmouth
Normal School.

Vacant houses in Tangent are very
scarce at this time and calls for house-
es to rent are quite frequent.

Farmers as a rule are away behind
with their fall work, many of them
have little or no fall seeding done.

There was a large acreage of corn
raised for silage and all of it was got-
ten into the silos in good condition.

There were quite a few new silos
put up around here this season as farm-
ers have learned that silage is a
cheap feed for cattle, sheep and hogs.

The extremely wet weather has
caught the farmers with much of their
seeding and other odd jobs undone,
such as digging potatoes, picking ap-
ples, handling wood and making final
preparations for winter.

Grass in the pastures is short, con-
sequently the farmers will be com-
pelled to feed their stock through the
winter.

The roads are going to be almost, if
not entirely impassable before spring,
as the many cars which are constantly
passing through the country will have
them full of ruts and ditches.

Many trucks have been hauling heavy
loads which is fast doing away with
team work.

CAMBRIDGE HAS GRAVE PROBLEM THIS SEASON

CAMBRIDGE, ENGLAND, Nov. 7.—
Never in the history of Cambridge
University have the authorities faced
such a situation as confronts them
this year. There are 1,000 more un-
dergraduates than in 1913 and a large
number of them are married.

National Blouse Week

NOVEMBER 10-15

WE ARE

taking part in this National Event with a right good will. Watch our windows.
Come and see what we have to offer. Of course an ad. like this cannot ade-
quately describe the beautiful Blouses we have here for your selection.
We'll name one or two in particular—

GREY and ROSE GEORGETTE COMBINATION, trimmed in rose braid
and gold thread, with poplis and three-quarter sleeve, \$12.75.

SAND GEORGETTE without collar, beaded in steel and black beads, and em-
broidered in blue and red, \$13.

The new BURNT ORANGE, artistically beaded front in rose designs with
blue Georgette buttons and tucks down center front, flowing sleeves and
round neck are very attractive with rows of black beads and piping of blue
Georgette. \$15.75 is a very nominal price to ask, considering the quality of ma-
terial, the exquisite work and the style value.

These are only a few of the many beautiful models from our large stock. Oth-
ers include the long- and hip-length Blouses and Peplin Blouses in many dif-
ferent shades trimmed in beads, braiding, and silk and wool embroidery in
blending shades.

White Voiles and Organdies in late fall styles in tucked, embroidered and lace-
trimmed, \$2.50 to \$8.
