## **SENATE RATIFY TREATY** WITHOUT RESERVATIONS

OTHERWISE, DEMOCRATS ARE URGED TO VOTE AGAINST LODGE PROGRAM; REPUBLICAN LEADER SAYS SENATE WILL NOT OBEY ORD-ERS; TREATY MAY BE KILLED.

Administration Senators Line up Against Lodge Program of Reservations; Wison Says Changes in Pact Would Nullify it; Hope of Compromise is Dim; Vote Appears

WASHINGTON, Nov. 19 - By Associated Press-A letter from President Wilson advising administration senators to vote against ratification of the peace if the foreign relations committee reservations are included, was laid before a conference of administration senators today by Democratic Leader Hitch

The committee program, the President wrote, would provide not for ratification "but rather for nullification of the peace treaty."

After the letter was read there were indications that unless a compromise could be effected, administration senators will line up almost solidly against ratification.

This means either of two things The mild republican reservationists will join with the democrats rather

publican opposition. In the latter event the treaty will be rejected en-tirely by the United States senate.

WASHINGTON, Nov. 19 - Repub lican Leader Lodge in a formal statement issue dthis afternoon predicted that the senate will not "obey orders" given this morning by Pres Wilson in regard to the treaty.

"The senate has equal power and responsibility with the President in the making of treaties," Lodge declared. "The senate will not, in my opinion, obey the orders of the President, who undertakes to command the senate to ratify the treaty without reservations which have been adopted by a large senate majority. These reser-vations Americanize it and make it safe for the United States."
