OLD-TIME COLD CURE—

DRINK HOT TEA!

Get a small package of Hamburg Brest Tea at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoon full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus breaking up a cold.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB RHEUMATISM FROM STIFF ACHING JOINTS

Rub Soreness from joints and muscles with a small trial bottle of old St. Jacobs Liniment

Stop "dosing" Rheumatism. It's pain only; not one case in fifty requires internal treatment. Rub soothing, penetrating "St. Jacobs Liniment" right on the "tender spot," and by the time you say Jack Robinson—out comes the rheumatic pain. "St. Jacobs Liniment" is a harmless rheumatism cure which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache, neuralgia. Limber up! Get a 30 cent bottle of old-time, honest "St. Jacobs Liniment" from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

End That Valve Trouble Forever

FOR
AUTO
TIRES

Why fool with the old-style leaky valve which permits your tires to become under-inflated when you least expect it and cause you continuous expense in damaged casings and tubes?

The Newsom Valve is so constructed that it does not depend alone on the air pressure against the valve gasket to hold the air in the tube, because an additional protection against any possible escape of air from the tube is provided for by a cap nut which is screwed to the upper end of the stem and by which the valve gasket is drawn firmly against the valve seat at the base of the housing, thereby sealing the valve and holding the air in

the tube at a constant standard pressure and positively preventing valve leakage.

"It Just Can't Leak"

Snap Lox Dust Cap

is a time saver and avoids the necessity of unscrewing and screwing on the dust cap whenever the tire is to be inflated. It's simple—consists of but two parts.

Come and See These Two Great Time and Trouble Savers, and you'll never be without them.

Esthonians Cuddle Up to Wild Soviets

LONDON, Nov. 29.—A. P.—The Esthonian government announces that peace negotiations with soviet Russia will be begun at Dorpat Tuesday, Dec. 2.

This news was contained in a wireless dispatch today from Moscow.

National Renown

Who said there was nothing new under the sun?

Hettie Jane Dunaway has proved there is, for her unique programs are absolutely different from anything on the American platform or stage. With a great variety of artistic humorous and dramatic situations, she gives programs that have won her national distinction.

Her work is not only beautiful and entertaining, but there is a personal touch so clean, wholesome and inspiring that life becomes sweeter and more joyous.

Albany people will be glad to hear her. The Old Fashioned Girls, were charming, but this will excel in every particular of artistic entertainment.
