## COLLEGE FRIENDS PLAN TO RAISE BALANCE OF FUND FOR EXPENSES

Committee of 30 Dines at St. Francis Hotel and Lays Plans for Drive in Linn County.

\$7,000 MORE NEEDED

Increased Growth of Institution and Necessity for Meeting Allotments of Synod and College Board Make Work Necessary.

The Citizens' Committee of 30 met Wednesday evening at the St. Francis Hotel for a luncheon conference on the business matters of Albany College in general and the drive for \$15,000 in Albany and Linn county in particular.

The committee was appointed by a smaller "steering committee" made up by the trustees of the college and the chamber of commerce.

President A. M. Williams and members of the board of trustees presented facts and figures showing that the college must have \$40,000 a year for the next three years in order to meet the needs of the growing institution and to meet the requirements of the General Board of Education in the East. \$50,000 is expected as a minimum of receipts from the permanent endowment; \$25,000 is a conservative estimate of tuition receipts. The General Board of Education has promised \$15,000 on condition the college secure \$30,000 in Oregon, one-half of which it is planned to get in Albany and Linn county and the balance from over the state. Of Albany's \$15,000 a little more than \$8,000 is subscribed.

The committee of 30 decided to put on a drive this week and next week for the remainder of this \$15,000. They divided themselves into pairs and will visit those citizens who were not given a chance to subscribe last summer. The committee of 30 will meet next Wednesday to report.

Following is a list of the committee of 30: A. M. Williams, P. A. Young, L. E. Hamilton, R. L. Burkhardt, J. C. Irwine, J. H. Ralston, Dr. G. H. Young, Wm. Fortmiller, F. J. Miller, Dr. W. P. White, B. C. Miller, C. E. Sox, Dr. W. H. Lee, Deo McClain, C. W. Boettcher, W. L. Jackson, E. B. Williamson, I. A. McDowell, E. M. Reagan, H. N. Cockerline, Owen Beam, L. G. Lewelling, Sheriff C. M. Kendall, A. J. Van Wanning, Judge H. H. Hewitt, D. S. Holloway, J. M. Hawkins, F. H. Pfeiffer

## Albany Legion Meets Defeat at Hands of Indians

The American Legion basket ball team returned from Chemawa last evening where they met the fast team from the U. S. Indian Training School. The locals were defeated by the score of 36 to 6.

Seth French was the only member of the regular team to make the trip. Moors plays on the high school team and did not care to play two games so close together, the high school meeting Silverton here this week. Brumbaugh, who coaches the high school, was unable to get away, as was Archibald, Kuck, regular forward, missed the train and was left behind. Without practise together or teamwork the local team took the floor and played to the best of their ability.

Albany's lineup was French, center; Jay Willard and Reeves, forwards; Haller and Kampf, guards. All were high school players except French and Kampf, the latter being from Albany College.

The game was attended by a large crowd of Indians who gave their war whoop when their team came out victor.

# Some Albany College Facts

Dr. Chas. F. Wishart of Chicago, said in Albany last year to a few leading citizens: "Boys, if you really intend to go on making a gilt-edge college I am with you." He is President of the Presbyterian General Board of Education.

Dr. Edgar P. Hill, of New York, said last summer: "Albany College must have more money for current expenses." He is Secretary of the same Board. Then he proposed to give us \$15,000 if we raise \$15,000 in Albany and \$15,000 over the State, to be paid in three years.

**ALBANY AND LINN COUNTY MOVE NEXT**  
Clearly it is our next move. We should subscribe \$7,000 to be paid in three years, one third each year, to complete our \$15,000. The Commercial Club has endorsed this and appointed a committee to co-operate with the trustees. This week and next—the time for this.
