**Albany Legion
Team to Meet
Newberg Tomorrow**

Albany fans will have a taste of real basket ball Saturday when the local team of the American Legion meets the quintette representing the legion of Newberg. While the two legion teams of Albany and Newberg are playing in this city, the Albany and Newberg college teams will be playing at the same time at Newberg.

This will be the first game in which all of the regular players of the local team will be in the game. In previous games some cause or other has always kept some of the players out of the lineup, but tomorrow all will be in the game.

Manager Roy Eastburn is predicting a hard game, but believes that Albany will be strong enough to put over a victory.

The game will be played in the Y. M. C. A. gymnasium and will start at 8:15, giving ample time for spectators to attend the dance in the armory afterwards.

The Albany line-up will include Kuck and Moore, forwards; French center, Bilyeu and Brumbaugh and Willard, guards.

**BIG BUSINESS
FACES FACTS**

Babson's Business Bulletin Sept. 2, 1919 Says—

"The need of the hour is not more legislation. The need of the hour is more religion everywhere, from the halls of Congress to the factories, mines fields and forests. It is one thing to talk about plans and policies, but a plan and policy without a religious motive is like a watch without a spring, or a body without the breath of life."

The Wall Street Journal Says Editorially—

"What the country needs today is a revival of the old fashion prayer meeting religion."
