Santiam's Strawberry City was ripe with visiting Elks Wednesday evening to enjoy the elaborate banquet and be present at the initiation. They came from all over the state and the visitors report a royal reception. Lebanon's door was wide open to them. Three auto loads from Albany were present and Corvallis was also well represented.

The Missionary society of the Christian church met in regular session at the home of Mrs. Frank Forman this week and report a fine social time together. Topic was the Map of India lead by Mrs. Ralph McKechnie. Mrs. Nimmo, Mrs. Jessie and Mrs. Strainey gave interesting talks on the ways and customs of India.

The W. C. T. U. held their regular business meeting last Tuesday-afternoon at the home of Mrs. F. M. French. Roll call was responded to by current events, and a discussion of these followed. At the close of the business meeting a social hour was spent. Light refreshments were served by Mrs. French.

Salem Man Is Advanced in Auto Department

Carl D. Gabrielson, of Salem, well known in Albany has been appointed by Governor Olcott as superintendent of the automobile registration department in the office of the secretary of state. Chauncey D. Butler, of The Dalles, resigned the place and Gabrielson's appointment took effect this morning, according to a story in this morning's Statesman. Gabrielson was formerly prominent in athletics at the University of Oregon. During the war he won his commission at the officer's training camp at the Presidio and served for more than a year with the American troops in Siberia.

GRAY-LHEVINNE CONCERT MONDAY

Albany Favored by Appearance of Two Talented Artists

Only those who have heard Estelle Gray and Mischa Lhevinne can realize the genuine treat which is in store for the people of Albany next Monday night. Lhevinne is a composer of music as well as a brilliant pianist. He is, indeed, a master of the piano and holds his audience spell bound as he interprets the wonderful music of the old masters, mingling with it his own appealing melodies.

It is Estelle Gray, though, with his pletely captivates the hearts of her audience. She is called on two continents, "The violinist of inspiration," well does she merit the name. The New York Herald says of her: "Estelle Gray's recital at the Wald of Astoria, was successful from every point of view. This young artist presented a program of great interest and proved beyond a doubt her right to be recognized as one of the big artists of the day." In a warm speaking voice, that thrills, the little violinist gives a quaint anecdote about the composer, or something else relevant to each composition, which makes the music so human and appealing. The combination of these two intensive personalities results in recitals radiating youth, romance, and enthusiasm.

In order to make it possible for everyone to hear these artists the price of the tickets has been made exceptionally low, so a large crowd is expected. Buy your tickets now and boast for the Albany Young Peoples Union.
